

INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

SNOHOMISH COUNTY

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as “WTSC,” and SNOHOMISH COUNTY, hereinafter referred to as “SUB-RECIPIENT.”

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the Parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listings Catalog of Federal Domestic Assistance (CFDA) number 20.616, for traffic safety grant project **2025 FG 5339-REGION 10 WALKER ROLLER SAFETY GRANT**, specifically to provide funding for the law enforcement agencies in WTSC Region to conduct overtime walker/roller safety enforcement as outlined in the Statement of Work (SOW), in support of Target Zero priorities. This agreement is for year 2, federal fiscal year 2026. The Target Zero Manager (TzM) and/or the Law Enforcement Liaison (LEL) shall coordinate the SOW with the SUB-RECIPIENT with the goal of reducing traffic crashes.

Grant **2025 FG 5339-REGION 10 WALKER ROLLER SAFETY GRANT** was awarded to **SNOHOMISH COUNTY** to support collaborative efforts to conduct walker/roller safety enforcement activities. By signing this agreement, the SUB-RECIPIENT can seek reimbursement for approved overtime expenses incurred as a participant in **2025 FG 5339-REGION 10 WALKER ROLLER SAFETY GRANT during federal fiscal year 2026**.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both Parties, but not earlier than October 1, 2025, and remain in effect until September 30, 2026, unless terminated sooner, as provided herein.

3. STATEMENT OF WORK

Note: This statement of work applies only to Walker/Roller Safety Enforcement for traffic safety areas which recipient region has received funding.

GOAL: Positively change walker, roller, and motor vehicle driver behaviors through law enforcement patrols and media efforts. Engage multiple law enforcement agencies in the design, implementation of enforcement, community outreach and education activities for the project period.

STRATEGY: Prevent drivers from engaging in high-risk behaviors related to walkers and rollers by increasing drivers' perception of the risk of being stopped by a patrol officer. This perception is achieved through 1) an increase in media messages and outreach about upcoming emphasis periods so that the targeted drivers know when the patrols will occur and what will be enforced and 2) during the patrols, drivers have the perception of increased enforcement because they can see a significant and noticeable increase in law enforcement presence and activities that reinforces the media messages they received and influences them to modify their driving behavior and 3) officers who stop drivers will use the stop to educate drivers on the importance of sharing the roadways with walkers and rollers and applicable laws violated by the driver.

OBJECTIVES: There are several requirements identified for the **2025 FG 5339-REGION 10 WALKER ROLLER SAFETY GRANT** along PUBLIC TRANSIT AREAS IN LYNNWOOD, EDMONDS, MOUNTLAKE TERRACE, EVERETT, ARLINGTON, MARYSVILLE AND UNINCORPORATED SNOHOMISH COUNTY in SNOHOMISH COUNTY. The SUB-RECIPIENT agrees to the following requirements:

1. Implement the mobilization plan developed by the local traffic safety task force. The enforcement includes:
 - a. Problem Statement
 - b. Description of enforcement strategy, including expected law enforcement agencies participating in the event, target violation, and target locations.
 - c. Public outreach strategy that targets behaviors drivers are most likely to engage in that contribute to traffic crashes.
 - d. Evaluation plan.
2. The event is data driven. This means data is used to identify locations where enforcement should occur and driver demographics with the highest potential of causing traffic crashes.
3. The enforcement is multijurisdictional and uses a saturation approach. This means SUB-RECIPIENT is coordinating efforts with adjacent law enforcement agencies so that the driving public has the perception of law enforcement omnipresence on targeted roads.
4. The public is made aware of the event before, during, and after the enforcement takes place. This means that messages reach all target audiences in the community, regardless of English proficiency, who use the targeted transportation system. Local outreach and public education campaigns will take place during the enforcement period.
5. Officers are encouraged to educate drivers about walker and roller laws and safety during traffic stops.
6. The SUB-RECIPIENT deploys resources to enforce traffic laws in priority areas throughout the year when this project not being implemented.

ADDITIONAL REQUIREMENTS:

In addition, SUB-RECIPIENT agrees to all the following requirements for walker/roller safety enforcement:

1. Use the WEMS system provided by the WTSC to record all activities conducted by their commissioned officers. SUB-RECIPIENT will also ensure all supervisors and fiscal staff have the ability to review and edit those activity logs.
2. All participating staff receive a briefing prior to the event so that every participant understands and can explain all of the items on the briefing list below. This can be done in person (preferred) or electronic via telephone, email, or virtually.
 - Purpose, goals, strategy, and objectives of the specific enforcement with a focus on the targeted locations and driving behaviors
 - List of on-call DREs and request procedures
 - How to fill out their digital activity log in WEMS
 - Information on how the Mobile Impaired Driving Unit will be used (if applicable)
 - Dispatch information
 - All Participating officers
 - Spotter processes (if applicable)
 - Draeger machines and locations (if applicable)
3. To utilize all available media platforms it has available (website, email newsletters, social media etc...).
4. Participating officers should make as many contacts as they can during these patrols to positively influence driving behavior.

These alterations must be requested through email communication among all parties involved, including the TZM, and the WTSC Fiscal Analyst. This communication shall include an Allocation Adjustment form, which details the funding alterations.

Funds within the same enforcement campaign budget category only, can be increased and decreased across parties, so long as the modified total does not exceed the regional total allocation per funding category.

3.2.4. These funds, designated for salaries and benefits, are intended to pay for the hourly overtime costs and proportional amounts of fringe benefits of commissioned staff pursuing the activities described in the statement of work. These funds may not be used for any other purpose for example any work required to maintain a law enforcement commission including recertification trainings like firearm qualification.

3.2.5. The law enforcement agency involved will not schedule individual officer overtime shifts for longer than eight hours. WTSC understands there may be instances when more than eight hours are billed due to DUI processing or other reasons and an explanation should be provided on the WEMS Officer Activity Log.

3.2.6. The law enforcement agency involved will ensure that any reserve officer for whom reimbursement is claimed has exceeded his/her normal weekly working hours when participating in an emphasis patrol and is authorized to be paid at the amount requested. Reserve officers may only be paid at the normal hourly rate and not at the 150 percent overtime rate.

3.3. SUMMARY OF PROJECT COSTS

The WTSC has **awarded \$50,000 in 2025 FG 5339-REGION 10 WALKER ROLLER SAFETY GRANT** in federal fiscal year 2026 funds for the purpose of conducting coordinated Walker/Roller Safety

All activity must be coordinated and pre-approved by the region's traffic safety task force and Target Zero Manager to be eligible for reimbursement. Enforcement activities include emphasis patrols near transit/focus areas. Officers will be looking for poor driver behavior in pedestrian safety focus areas, along with pedestrians not following applicable pedestrian laws. Officers will be expected to provide education on these stops along with reasonable enforcement action. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30-day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either Party may terminate this Agreement, without cause or reason, with 30 days written notice to the other Party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the “lower tier participant”) is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled “Instructions for Lower Tier Certification” including the “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 35.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

34.1.3. Make it a requirement that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph 36.1.1. of this section.

34.1.4. Notify the employee in the statement required by paragraph 36.1.1. of this section that, as a condition of employment under the grant, the employee will abide by the terms of the statement, notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such

conviction, and notify the WTSC within 10 days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 36.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

In accordance with FFATA, the SUB-RECIPIENT shall, upon request, provide WTSC the names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in federal awards, received \$25,000,000 or more in annual gross revenues from federal awards, and if the public does not have access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.

36. FEDERAL LOBBYING

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

36.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grant, loans, and cooperative agreements), and that all sub-recipients shall certify and disclose accordingly.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

37.1.2. Not to participate directly or indirectly in the discrimination prohibited by any federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR Part 21 and herein.

37.1.3. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA.

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.
