Subject: ECAF 2024-1811

Good morning,

It took me a while to understand the Lodox x-ray warranty ECAF (2024-1811). After discussing it with Purchasing, this expense should not be going up to Council. This ECAF has been assigned, so it may need to lapse. I am not sure if it can be cancelled at this point. Purchasing is going to work with the Medical Examiner's office to get the purchase processed.

Please let me know if you have any questions.

Best,

Cynthia Foley
