In consideration of the mutual promises of the Parties set forth in this Amendment, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Definitions. Unless otherwise defined in this Amendment, all terms used in this Amendment that are defined in the Agreement are used here as they are there defined.

2. Amendments.

2.1 Section 4.01 Condition of Premises. Section 4.01 is deleted in its entirety and replaced with the following:

Lessee has examined the premises, including any structure, grounds, and access thereto, and accepts the same in the condition in which they exist as of the Effective Date of the Lease. It is agreed that the County shall not be bound by any warranty, representation, or condition regarding the premises except as stated herein. Notwithstanding the foregoing, County and Lessee acknowledge and agree that certain improvements to the premises are required in order for Lessee to use the premises as County and Lessee intend. County will allow such Tenant Improvements, PROVIDED THAT the aggregate amount payable by County for all Tenant Improvements shall not exceed One Million Five Hundred Thousand and 00/100 Dollars (\$1,500,000) (the "Total Improvement Allowance"), which amount is equal to \$22.32 multiplied by 67,194, which is the number of rentable square feet in the Future of Flight facility. Tenant improvements will be reimbursed as Capital Improvement Reimbursements ("CIR") at up to \$1,000,000 in the first twelve (12) calendar months after commencement of this lease, and the remaining balance of the Total Improvement Allowance will be reimbursed in calendar months thirteen (13) through sixty (60) and not sooner. Lessee shall submit requests for all tenant improvements as provided in Section 1.04 Tenant Improvement Forms ("TIF") in advance of any improvements and will comply with the terms

specified therein. A sample TIF is attached as **Exhibit C** and available online or from the County upon request.

In addition, Lessee has advised County of certain existing conditions in the leased premises and/or certain items that should be noted in connection with the leased premises. Such items are described generally in a list attached to this Lease as **Exhibit J**. At the expiration or termination of this Lease, Lessee is permitted to deliver the premises with the items listed in **Exhibit J** in place, together with normal wear and tear.

2.2 Section 4.15 – Salmon Safe Compliance. Section 4.15 Salmon Safe Compliance is added to the lease as follows:

4.15 Salmon Safe Compliance. Lessee shall comply with the Snohomish County Airport's Salmon-Safe Certification Requirement Condition 8: Ensure use of Paine Field's Integrated Pest Management Plan (IPM) dated October 2019 or a Salmon-Safe approved equivalent.

3.1 This Amendment will be effective immediately upon execution and delivery by the Parties.

No subsequent agreement, representation, or promise made by either party hereto, or by or to an employee, officer, agent or representative of either party hereto shall be of any effect unless it is in writing and executed by the party to be bound thereby.
