BRIEF DESCRIPTION:

The Parks Division requests the use of a “piggyback” or “cooperative purchase” under SCC 3.04.220, issued and awarded by the Washington State Department of Enterprise Services (DES). A Contract Usage Agreement between Snohomish County and DES authorizing cooperative purchases was approved by the County Council under Motion 24-232 and is currently in effect.

DES entered into multiple Participating Addendum dated and effective July 1, 2023, referencing NASPO ValuePoint Master Agreements for Parks and Recreation Equipment and Installation. The Master Agreements were competed through an RFP process, which were awarded to multiple suppliers for various manufacturers of the equipment and services. The Master Agreements have an ultimate term end date of 12/31/2027. The following are recommended for approval through evaluation of the competition and conducting a second-tier informal quote process:

- (1) DES Participating Addendum #15122, to join NASPO ValuePoint Master Agreement #PO 10700-00015857, awarded to PCS Commercial Play, LLC dba Play & Park Structures
- (2) DES Participating Addendum #15122, to join NASPO ValuePoint Master Agreement #PO 10700-00015852, awarded to Northwest Playground Equipment, Inc .

The County has a need to renovate and provide playground equipment for the community. The Parks Division has researched the availability and cost savings of these contracts and believes they serve the best interest of the County.
