The County shall notify the Landlord of the County's intention to exercise each one-year option term no later than September 30 of each calendar year before the end of the initial or current option term. The County's failure to exercise an option to extend will nullify the remaining options to extend. Each lease option term shall be on the same terms and conditions as the initial term, including that the rent will increase in the manner described in Section 3.

If the term of this lease extends beyond the current County fiscal year, the obligations of the County in succeeding fiscal years are contingent upon legislative appropriation for the specific

4. **USE.** County will use and occupy the Premises for general office and to house machines used for ballot counting, and Landlord warrants the Premises as structurally fit for this purpose. County agrees that in the operation of the business to be conducted on said Premises and in any occupancy thereof, County shall comply with the laws, rules and regulations of the governments of the United States, State of Washington, Snohomish County and the City in which the Premises are located. County agrees not to use any machinery or equipment in the Premises that might be injurious to the building or that might cause noise or vibration that would be objectionable to other tenants. Upon termination of the lease, County shall quit and surrender the Premises in as good a state and condition as reasonable use and wear and tear thereof permit, damage by the elements, damage resulting from structural unfitness of the Premises for its intended use or other actions not caused by the County or its employees, agents, customers or invitees excepted.

Landlord agrees that in performing the tenant improvements specified in this paragraph 5, it shall comply with all provisions of the Americans with Disabilities Act (42 U.S.C. § 12101 *et seq.*) and any associated regulations, and shall keep the building in continuous

compliance with such act and regulations throughout the term of this lease, including any option or holdover term.

If any other alterations are generated for the use of the County only and not for the legal occupancy or to benefit other tenants or customers of the building, the County will pay for the alterations made within the rented space.

County agrees to make no alterations of the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld. Any such alterations to the Premises shall be made at the County's expense and shall become the property of the Landlord at the termination of the lease. Upon termination of this lease, County shall have the right to remove all movable improvements, furnishings and trade fixtures placed therein by the County that can be removed without material injury to the Premises, and will repair any damage to the Premises caused by such removal. The County will be allowed, within reasonable limits, to hang pictures, corkboards and install shelving to earthquake standards without being held responsible for damage to the Premises, and such damage shall be considered reasonable wear and tear.

6. LIENS. In the event the premises shall at any time during the term of this lease become subject to any suit brought to enforce a lien or any statement or claim of lien filed to enforce a lien resulting from the furnishing of materials or labor to County on the Premises and contracted for or agreed to by County, County may contest such lien by legal proceedings but shall, in the event, cause such lien, at its sole cost, to be discharged within thirty (30) days after notice thereof by the substitution therefore of a mechanic's lien release bond, by posting of adequate security for the payment thereof (including all expenses incident thereto), or by such other method as shall be reasonably satisfactory to Landlord.

If the County desires to reasonably increase or decrease the leased space, County will present a detailed letter and exhibits to Landlord and Landlord will review and provide a written acceptance or denial. The increase or decrease in rent shall be based on the change in rented square feet. Any required tenant improvements or relocation expenses shall be paid for by the party requesting increase, decrease or relocation.

It is agreed by the approval of this lease that the Snohomish County Executive has the authority to accept or deny any increases or decreases in the space for the County.

The signed letter and exhibits will be considered documents to generate an amendment to the lease and will be sent to the same parties as identified in paragraph 15.

8. HOLD HARMLESS CLAUSE. Landlord shall protect, hold harmless, indemnify, and defend, at its own expense, the County, its appointed and elected officials, officers, employees, and agents from any loss or claim for damages of any nature whatsoever, including claims by third parties or by Landlord's employees from which it would otherwise be immune under TITLE 51 RCW or other law, arising out of any act or omissions on or about the premises or relating to this lease by Landlord, its officers, assignees, agents, employees, invitees, contractors or subcontractors. If a loss or claim is caused by or results from the concurrent negligence of Landlord, its officers, assignees, agents, employees, invitees, contractors or subcontractors and the County, its appointed or elected officials, officers, agents, employees, invitees, contractors or subcontractors, this clause shall be valid and enforceable only to the extent of the negligence of the Landlord, its officers, assignees, agents, employees, invitees, contractors or subcontractors.

County shall protect, hold harmless, indemnify, and defend, at its own expense, the Landlord, its officers, employees, and agents from any loss or claim for damages of any nature

If a loss or claim is caused by or results from the concurrent negligence of the County, its appointed or elected officials, officers, assignees, agents, employees, invitees, contractors or subcontractors and the Landlord, its officers, assignees, agents, employees, invitees, contractors or subcontractors, this clause shall be valid and enforceable only to the extent of the negligence of the County, its appointed or elected officials, officers, assignees, agents, employees, invitees, contractors or subcontractors.

The parties acknowledge that the foregoing indemnity provisions were mutually negotiated.

9. INSURANCE. The Landlord shall obtain, and maintain continuously for the term of this lease a) All-Risk Property Insurance covering the full value of the premises; and b) Primary Commercial General Liability Insurance with endorsements and/or other insurance to indemnify for all damage, loss, cost and expense arising out of the premises and/or actions by Landlord's officers, employees or agents. Minimum limit of coverage shall be for \$1,000,000 per occurrence for bodily injury and property damage. Claims-made policies will not be accepted and deductibles require approval by the County Risk Manager.

The Commercial General Liability insurance shall be endorsed to include Snohomish County, its officers, elected and appointed officials, officers, employees and agents as an additional insured, and shall not be reduced or canceled without thirty (30) days written prior notice to the County.

The Landlord shall provide a Certificate of Insurance and the additional insured endorsement to the County as evidence of coverage. Approval of insurance is a condition precedent to full execution of this lease.

10. HAZARDOUS WASTE. Landlord represents and warrants, to the best of its knowledge without special inquiry, that no hazardous wastes, hazardous substances, dangerous wastes or other contaminants, as defined in applicable federal, state and/or local statutes or regulations ("Contaminants") are or have in the past been generated, treated or disposed on or at the Premises, and there have been no releases of Contaminants at the Premises. Landlord further represents and warrants that it has no reason to believe that Contaminants have in the past been generated, treated or disposed at the Premises. Landlord covenants that it shall protect, hold harmless, indemnify and defend County, its elected and appointed officials, officers, employees, and agents, from any and all claims, losses, damages, response costs, and expenses arising out of or in any way relating to the generation, treatment, storage, release or disposal of Contaminants upon the Premises or the Building, including, but not limited to:

a. claims of third parties, including governmental agencies, for damages, response costs, injunctive or other relief.

b. the cost, expense, or loss to County of any injunctive relief, including preliminary or temporary injunctive relief, applicable to the County or the Premises.

c. the expense of reporting the existence of Contaminants to any agency of the State of Washington or the United States as required by applicable laws or regulations, before and after any trial or appeal therefrom whether or not taxable as costs; all of which shall be paid by Landlord when accrued.

Any generation, treatment, storage, release or disposal of Contaminants by County, its employees or agents shall not fall within the scope of the foregoing indemnity.

11. SUBLETTING AND ASSIGNMENT. The County shall not sublet the whole or any part of said Premises, nor assign this lease, or any part thereof, without the written consent of the

Landlord which consent shall not be unreasonably withheld. If consent is once given by the Landlord to the assignment of this lease, or any interest therein, the Landlord shall not be barred from afterward refusing to consent any further assignment. This lease shall not be assignable by operation of law.

Any assignment made by the County shall not become effective until the assignee, in writing, shall assume this lease and agree to perform and be bound by all of the obligations of the County accruing under this lease from and after the date of such assignment. In the event of such an assignment and assumption, the County shall remain bound by all of the obligations of the County accruing under this lease. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting.

12. CASUALTY REBUILDING. In the event the building of which the Premises are a part shall be destroyed or damaged by fire or other causes (and regardless of the extent of the damage to the Premises) to such an extent that the Landlord shall decide to discontinue the operation of the building as office space, which decision shall be communicated to the County within thirty (30) days after such damage or destruction, then this lease shall be terminated as of the date of such damage or destruction. In the event of damage to the Premises by fire or other causes, other than under the circumstances described in the preceding sentence, Landlord shall repair the Premises within a reasonable time and as quickly as circumstances will permit upon the same plan as immediately before the damage or destruction. Until the Premises are repaired and put in a good and tenantable order, the rents herein provided for, or a fair and just proportion thereof according to the nature and extent of the damage sustained, shall be abated until the Premises shall have been restored to the same condition as they were before such damage or destruction.

In the event that the Premises are not useable as contemplated in this agreement for over ninety (90) days due to the damage, County shall have the right to terminate the lease.

13. CONDEMNATION.

13.1 Total Condemnation. If the property or any part thereof wherein the Premises are located shall be taken by public or quasi-public authority under any power of eminent domain or condemnation to make the Premises unusable by County, this lease shall terminate on the date that possession to the Premises is taken by the condemning authority.

13.2 Partial Condemnation. If part of the Premises is condemned such that in County's reasonable opinion, the Premises cannot be restored to an economically viable condition:

(a) Either Landlord or County may terminate this lease upon thirty (30) day prior written notice to the other.

(b) Upon a partial condemnation which does not result in a termination of this lease:

(i) Rent shall be adjusted to reflect the reduced amount of rentable area in the Premises on the date that possession to the Premises is taken by the condemning authority; and

(ii) Landlord shall restore the Premises, but only to the extent of funds available to Landlord from the consideration paid for such taking and as mutually agreed upon between the Landlord and County.

13.3 Landlord's Damages. In the event of a total or partial condemnation, the County shall not be entitled to any part of the award. County hereby expressly waives any right or claim to any part of such amount and assigns to the Landlord any such right or claim.

13.4 County's Damages. County shall have the right to bring a separate action against the condemning authority for:

- (a) the recovery of County's moving expenses,
- (b) displacement expenses, and
- (c) damage to County's personal property.

14. WAIVER OF SUBROGATION. Landlord and County each mutually release the other from every right, claim and demand which may hereafter arise in favor of either arising out of or in connection with any loss occasioned by fire and such other perils as are included in the provisions of the normal extended coverage clauses of fire insurance policies, and do hereby waive all rights of subrogation in favor of insurance carriers arising out of any such losses and sustained by either the Landlord or the County in or to the Premises or any property therein. Provided, however, that if at any time either Landlord or County can obtain a waiver of subrogation clause only for an additional premium, such clause shall be obtained only if the party in whose favor it runs pays such additional premium. If such waiver of subrogation can be obtained only for an additional premium be either Landlord or County, and either party elects not to obtain a waiver of subrogation, this entire clause shall be null and void.

Landlord pays for the repairs and maintenance on the building, building equipment, parking area, landscaping, building insurance (other than County's insurance), utilities, property taxes and management fees. As set out in Paragraph 3, County agrees to reimburse Landlord \$3,763.76 (\$1.04 per square foot) annual rate to cover actual expenses associated with maintenance, repairs, landscaping, insurance, utilities, taxes, management and services, which expenses shall be known as the service costs.
