Member Facility Agreement

This Agreement is by and between the State of Minnesota, acting through its Commissioner of Administration on behalf of MMCAP Infuse and the facility named in line one of the Membership Application.

MMCAP Infuse is a free, voluntary, public sector group purchasing organization for government-authorized facilities and is operated by the Office of State Procurement of the State of Minnesota's Department of Administration. It combines the purchasing power of its members to receive the best prices available for the products and services for which it contracts. Membership in MMCAP Infuse is limited to facilities with which the State of Minnesota may contract, as defined by Minnesota Statutes Section 471.59, subdivision 10.

The Member Facility desires to access MMCAP Infuse's programs to purchase products and services for the Member Facility.

1. Term of Agreement and Cancellation

This Agreement, which is required by 42 C.F.R. § 1001.952(j) and Minnesota law, will be effective upon the date it is fully executed by all parties; and will remain in effect until canceled by MMCAP Infuse or the Member Facility. This Agreement may be canceled by either party upon 30 days' written notice to the other party, or immediately upon material breach by one of the parties.

2. Member Facility

The Member Facility:

- A. Certifies it has authority to enter into this Agreement with the State of Minnesota and, where applicable, authorizes MMCAP Infuse to negotiate contracts on its behalf. For non-government entities, also certifies it has statutory authority under which it may purchase goods and services from its state's contracts.
- B. Must comply with all applicable laws, rules, and regulations governing government purchasing of pharmaceuticals, and related healthcare products and services when utilizing MMCAP Infuse contracts and programs.
- C. Should endeavor, where practical, to purchase its goods and services from MMCAP Infuse contracts.
- D. Acknowledges it will be bound by applicable antitrust laws (Robinson-Patman (15 U.S.C. 13 (a)) and purchase products for its "own use" as defined by Abbott Labs v. Portland Retail Druggists (425 U.S. 1(1976)) and Jefferson County Pharmaceutical Association, Inc. v. Abbott Labs (460 U.S. 150 (1983)).
- E. Will not resell (as may be prohibited by law) or divert products obtained under the MMCAP Infuse contracts. If there are any questions about the propriety of the use of products purchased from the MMCAP Infuse contracts, the Member Facility will obtain an opinion from its legal counsel and notify MMCAP Infuse of the decision.
- F. When applicable, acknowledges that the prices made available under MMCAP Infuse's contracts may represent a discount to price that must be properly and accurately accounted for and reported in accordance with all federal and state laws, including the anti-kickback law (42 C.F.R. § 1320a- 7b(b)(3)(A)) and regulations thereunder (42 C.F.R. §1001.952(h)).
- G. Must comply with the terms and conditions of the applicable MMCAP Infuse vendor contracts and usual and customary industry standards, upon making a purchase.
- H. Understands that MMCAP Infuse is not liable for any denied pricing, chargeback, refusal of vendors to honor contract pricing, or failure of vendors to deliver the products or services. THE

MEMBER FACILITY ACKNOWLEDGES THAT MMCAP INFUSE IS NOT THE MANUFACTURER OR DISTRIBUTOR OF ANY PRODUCT AND SERVICE AND MAKES NO REPRESENTATION AS TO WARRANTY OF QUALITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, CONDITION, OR OTHER ATTRIBUTE OF THE PRODUCTS SUPPLIED BY VENDORS UNDER MMCAP INFUSE CONTRACTS.

I. Must update MMCAP Infuse regarding changes to the Member Facility information and contact person information.

J. Must promptly pay MMCAP Infuse-contracted vendors for all products or services purchased. MMCAP Infuse does not assume any responsibility for the accountability of funds expended by the member Facility.

3. MMCAP Infuse

MMCAP Infuse will:

- A. Select products or services for cooperative contracting under the programs offered.
- B. Comply with Minnesota laws, including procurement and data practices, that require fair and open competition.
- C. Make available copies of contract documents.
- D. Maintain vendor performance records.
- E. Assist in resolving administrative, contract, or supplier problems that cannot be resolved by the Member Facility.
- F. Provide information to the Member Facility regarding products and services available through the MMCAP Infuse program.
- G. Distribute to Member Facilities any unused administrative fees collected from contracted vendors (Article 4 below); and annually disclose in writing to Member Facilities, and to the Secretary of the United States Department of Health and Human Services upon request, the amounts received by MMCAP Infuse from vendors that were directly attributable to the Member Facility's purchases.

4. Administrative Fee Collected from MMCAP Infuse's Vendors

The MMCAP Infuse Managing Director may, pursuant to contract terms and conditions, require the contracted vendors (not Member Facilities) to pay an administrative fee to MMCAP Infuse. The fee of not more than three percent will be based on a percentage of sales made through the individual contracted vendor. Fees will be collected by the MMCAP Infuse office and used to pay for the administrative costs incurred in the operation of MMCAP Infuse as approved by the MMCAP Infuse Managing Director. Any remaining balance of funds will be returned to active members by means of either a credit to their wholesaler or distributor account, or other mechanism agreed to by the parties, in an amount proportional to the Member Facility's on-contract purchases.

5. Assignment, Amendments, Waiver, and Contract Complete

5.1 Assignment. Neither party may assign or transfer any rights or obligations under this Agreement without the prior consent of the other party and a fully executed assignment agreement.

5.2 Amendments. Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original agreement.

5.3 Waiver. If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.

6. Liability

Each party will be responsible for their own acts and behavior and the results thereof. Nothing in this membership agreement will be construed as expanding the limits of liability of the Member Facility beyond the limits of the law of its state. MMCAP Infuse's liability is governed by the Minnesota Tort Claims Act, Minnesota Statutes Section 3.736, and other applicable laws.

7. State Audits

As mandated by Minnesota Statutes Section 16C.05, subdivision 5, "the books, records, documents and accounting procedures and practices of the [Member Facility] relevant to this Agreement shall be made available and subject to examination by the State of Minnesota, including the contracting agency/division, Legislative Auditor, and State Auditor" for a minimum period of six years after the termination of this Agreement.
