Subject: Agreement CC02-24 with NWFF Environmental for Spill Response at Public Works and Operated Facilities.

Scope: The proposed agreement is for quick and effective response to hazardous materials spills or dumping, including access to emergency and routine spill response services. Public Works manages 1650 miles of public right-of-way, over a dozen buildings, operates solid waste facilities, storage areas, and is custodian of various vacant properties', on all of which hazardous materials can be dumped or mismanaged and/or spills can happen.

Duration: From execution through December 31, 2026.

Fiscal Impact: Current Year Multi-Year N/A

Funding was included in the approved 2024 budget and will be included in future proposed budgets.

Expend	2024	2025	2026	Total
102.50620234801 Repair/Maintenance Contracts	\$50,000	\$50,000	\$50,000	\$150,000
Total	\$50,000	\$50,000	\$50,000	\$150,000
Revenue	2024	2025	2026	Total
Road Fund 102	\$50,000	\$50,000	\$50,000	\$150,000
Total	\$50,000	\$50,000	\$50,000	\$150,000

Authority Granted: Approve and authorize the County Executive to sign the Professional Services Agreement CC02-24 with NWFF Environmental for a total amount not to exceed \$150,000, under SCC 3.04.140(8).

Background: The Public Works Department solicited the services of a contractor to assist with Spill Response at Public Works Managed and Operated Facilities through RFP-23-057. NWFF Environmental was one of two firms to respond to the Request For Proposals, and was selected though established Federal, State and County policies and practices. The Professional Services Agreement was negotiated, and the total budget is \$150,000.

Action Requested: For Council to move the motion to GLS on March 27, 2024, for consideration.
