Hi Scott,

You have explained to me that the Teske Open Space application #3238 should be approved by the Assessor and should not have been submitted to the Council office.

Since the Teske application was sent to Council in error, I have changed the status in Legistar ([ECAF number 2021-1126](#)) to Withdrawn (for lack of a better term).

This ECAF/application has already gone several steps in the Council process so it is necessary for us to keep it in the Legistar system. It was already received at General Legislative Session in January, so I cannot just delete it. It is still linked in Legistar so if you need to start your process over or need the [attachments](#) they are available online.

If you are starting the process over for this application, you will need to start from scratch, with a new ECAF number. As far as this ECAF number goes, you do not need to do anything further.

Please let me know if you have any questions, Debbie
