Snohomish County Imagery Sub-Committee is requesting the ongoing purchases of a collection of high-resolution aerial imagery from **EagleView Technologies** utilizing the competitively awarded King County Contract 0681864 resulting from King County's RFP 1166-18-PCR.

The King County contract has favorable terms that include 34%-48% off of list price for 3" and 9" nadir and oblique AccuPlus products. There is an option to extend the contract for four (4) additional years.

Snohomish County Enterprise Imagery Funds will be used to fund these purchases.

This is a "cooperative purchase" allowed under SCC 3.04.220 utilizing a contract competitively awarded by King County. An intergovernmental agreement with King County authorizing cooperative purchasing was approved pursuant to SCC 3.04.210 by the County Council in Motion 13-319 and is currently in effect.
