**Subject:** 2024 Lapsed and No Action Report - Planning Item

Hi Russell,

I am finalizing the 2024 Lapse and No Action Reports. The following ordinance is scheduled for a public hearing on February 12<sup>th</sup>. Since the ordinance was introduced in 2024 and no action was taken by the end of 2024, it must be re-introduced prior to February 1<sup>st</sup> or it will lapse. Please let me know if Chair Nehring is good with me affixing his signature on the Introduction Slip for re-introduction so this ordinance can continue forward to its scheduled hearing.

1. [Ordinance 24-115/ECAF 2024-3105](#) dissolving Diking District No. 3 pursuant to Chapter 36.96 RCW

There are two other ordinances scheduled for hearing January 15<sup>th</sup>, if for some reason they get continued passed February 1<sup>st</sup>, they too will need to be re-introduced. Those Ordinances are:

[ORD 24-044/ECAF 24-0942](#) - relating to supporting the Development of Permanent Supportive, Emergency Housing, Emergency Shelters, and Affordable Housing

And

[ORD 24-097/ECAF 24-2646](#) - relating to the Critical Area Regulations Update

Thank you, Debbie

**2.48.175 Lapse and reintroduction of ordinances.**

*A proposed ordinance that is not passed by the council by the end of the calendar year in which it is introduced lapses if not reintroduced, passed, or defeated by February 1 of the following year. A proposed ordinance is reintroduced upon filing with the clerk of the council with the signature of at least one council member on a reintroduction form approved by the clerk. A proposed ordinance that is reintroduced retains the number originally assigned by the clerk. (Last updated May 17, 2011)*
