Chapter 85.38.160(1) RCW requires that the County establish a system of assessment for Special Districts. Chapter 85.38.160(4) RCW requires periodic review and finalization of the system of assessment for Special Districts every four years.

## **BACKGROUND:**

- The Diking District 2 system of assessment was established pursuant to the methods prescribed in RCW 85.38
- Chapter 85.38.160(4) RCW requires the system or systems of assessment of each special district shall be reviewed by the county engineer and finalized by the county legislative authority at least once every four years.
- The County Engineer has prepared an Engineer's Report and finds that the District's proposed assessment methodology to be in accordance with Chapter 85.38 RCW.
- The district has requested no changes to the system of assessment.
