CUSTOMER SERVICE CONTRACT

1474 REV 6/09

Date: 3/1/2021

Describe work location and work to be performed:

Provide engineering services to design and furnish a cost estimate to: relocate 4 Snohomish PUD utility poles, located in utility easements, in order to accommodate a new round-a-bout and intersection improvements at 84th St NE and 163rd Ave NE near Granite Falls.

CUSTOMER AUTHORIZATION and COMMITMENT: I authorize Public Utility District No. 1 of Snohomish County (the "District") to perform the work described above and agree to pay the estimated amount within 15 days from the date of this contract and prior to the District scheduling any work to be performed. I understand that the District estimated amount is subject to the following conditions: expiration 6 months after the date in the upper right-hand corner of this contract; PUD construction starting within six months of that same date; PUD construction performed in one set period of time and not broken into phases at my, my agent's or my contractor's request. If any of these conditions are not met, the PUD reserves the right to provide a new estimated amount. I understand that other assumptions for the cost estimate are in the attached customer letter. If I elect the fixed price option, I agree to pay the new estimated amount and/or any cost increases occurring because the above stated conditions could not be met. If I elect the Time and Materials option as the basis for the District's charges, I also agree to pay any actual costs of construction that are greater than the Estimated Amount within 30 days from the date of the District's invoice. If I fail to make such payment, the District may assign my debt to a collection agency and a collection agency fee will be added to the amount of the debt assigned, as authorized by Section 19.16.500 of the Revised Code of Washington. If suit is brought, I promise to pay, in addition to the collection agency fee, a reasonable attorney fee and court costs. This contract shall be governed by the laws of the State of Washington with venue of any litigation in Everett, Snohomish County, Washington.
