

## Snohomish County Council

**Committee:** Finance  
**ECAF:** 2023-0291  
**Proposal:** Mot. 23-124

**Analyst:** Jim Martin  
**Date:** March 22, 2023

### **Consideration:**

Authorizing the County Executive to sign an Intergovernmental Agreement for transfer of fire vehicle between Snohomish County and Snohomish County Fire Protection District 4.

### **Background**

Snohomish County Fire District 4 has a surplus fire vehicle that it cannot consistently staff. Snohomish County Airport Fire Department has qualified personnel/firefighters to utilize/operate the vehicle as a regional mass casualty incident vehicle for Snohomish County.

### **Current Proposal**

This motion approves and authorizes the County Executive to sign the intergovernmental agreement for transfer of fire vehicle between the County and District. The County will keep, maintain, operate and cross staff for response and readiness as an initial response to mass casualty incident and/or large emergency incidents when called upon. The Airport Fire District shall incur the costs of title transfer and associated maintenance, and agrees not to sell the fire vehicle for ten years after the effective date. Should the County determine it no longer requires use of the vehicle during the ten-year period, the County shall first offer to transfer the vehicle back to the District at no cost.
