PROPOSED ORDINANCE NO. 24-096

APPROVING AGREEMENT WITH WASHINGTON STATE DEPARTMENT OF SOCIAL
AND HEALTH SERVICES FOR REFUGEE MEDICAL SCREENING PROGRAM

Background: The ordinance approves a program agreement with Washington State Department of Social and Health Services (DSHS) to provide the domestic medical health screening exam, outreach, access, and follow-up to health assessment services with primary care, community health clinics, or specialty care for newly arrived refugees. The Snohomish County Health Department has held a contract with DSHS for many years to complete health screenings for refugees settling in Snohomish County. A health screening is one part of the required visits for refugees as they resettle in the United States. Staff conduct the screening, review their immunization records to ensure they have all required immunizations and connect refugees to services in the community.

At the Public Hearing, the Council may consider amendments to the proposed ordinance.
