Subject: Accepting a training prop at the Paine Field Airport

Scope: Accepting a donated training prop from Everett Community College

Duration: 12-31-2025

Fiscal Impact: Current Year Multi-Year N/A

It is estimated to be approximately \$5,000 for the relocation and the airport enterprise funds has sufficient funds in the 2025-2026 budget. The cost is not included in the agreement.

Authority Granted:

Authorizes the County Executive to execute an Assignment and Assumption Agreement for a donated training prop from Everett Community College at Snohomish County Airport

Background:

The Airport Fire Department conducts aircraft emergency response training using a retired Boeing 727-100, which now requires replacement. The aging prop has sustained significant damage during training exercises, with the aircraft's exterior being penetrated to the extent that it is nearly unusable.

Everett Community College wishes to donate a 727-227 aircraft to Snohomish County Paine Field Airport under the terms of the Assignment and Assumption Agreement Deed of Gift - Quit Claim. The college will also provide training and best practice instruction on the operation and procedures for the donated aircraft. The agreement specifies that the aircraft will be disassembled and relocated from its current location on leased Airport property to the training grounds, where the existing training prop is situated.

FEDEX originally donated the 727-227 to Everett Community College for training purposes. They have waived the initial restriction on transferring the aircraft under this agreement.

The existing 727-100 training prop will be dismantled recycled prior to the Airport receiving the 7270227.

Request: Move Motion 25-081 to GLS on 2-26-2025 for consideration.
