2 Project Coordinator	AUD5860R	1	1/29/2024	9/16/2024	When a different office (the Executive's "Operational Excellence" (OpEx) team) offered a much hired salary, they once again recruited this newly hired person away from the Auditor's Office. Fortunately, Op Ex enabled the Auditor's Office to borrow some of his time during 2024 to complete some of his projects, which is a key reason the Auditor's Office did not immediately post the position. He had been originally hired by the Auditor's Office July 10, 2023. (Class Code: 2356. Pay Grade: 242.)
3 Animal Control Officer	AUD5812R	1	9/9/2024	Posted 9/3/2024; offer extended prior to 9/26/2024.	By offering a higher salary, the Sheriff's Office recruited this newly hired Auditor/Animal Control Officer (Ashlynn Trujillio) away from the Auditor's Office. She was hired by the Auditor's Office February 20, 2024 and hired by the Sheriff's Office in September 2024. As of the end of September, the Auditor's Office has made an offer to a new candidate who is in the middle of the standard, but thorough background check process. (Class Code: 4002. Pay Grade: 237.)
