

Snohomish County Council

Committee: Public Works
ECAF: 71227/2021-0097
Proposal: Mot. 21-107

Analyst: Jim Martin
Date: April 1, 2021

Consideration:

Authorizing the County Executive to sign Professional Services Agreement CCF01-21 with Sargent Engineers, Inc. to provide design services for the Goodman Creek Culvert Replacement project.

Background

Snohomish County issued an RFQ related to the Goodman Creek Culvert Replacement project, for the purpose of contracting for design services which Public Works does not have the internal staff capacity to perform. The project intends to replace the current 12' diameter corrugated metal pipe culvert with a new bridge. Goodman Creek Culvert is located at MP 46.5 on the Mountain Loop Highway, approximately 7 miles East of Darrington in unincorporated Snohomish County. Sargent Engineers, Inc. was one of eight firms responding to the RFQ, and was selected through established Federal, State, and County policies and practices.

Current Proposal

This motion approves and authorizes the County Executive to sign Professional Services Agreement CCF01-21 with Sargent Engineers, Inc., for the amount of \$89,068.00, and further authorizes the Director of Public Works or designee to approve amendments up to \$8,909.00, provided that appropriation authority exists, for a total amount not to exceed \$98,007.00.

Duration: Through December 31, 2021

Fiscal Implications: Not to exceed \$98,007

2021 Budget: Yes

Future Budget Impacts: None.

Handling: Normal

Approved-as-to-form: Yes.

Risk Management: Yes.

Executive Recommendation: APPROVE.

Attachments: See ECAF packet.

Amendments: NONE.

Request: Move to GLS on April 14th for consideration.
