

Snohomish County Council

Committee: Public Works
ECAF: 22-0727
Motion: 22-313

Analyst: Nicole Gorle
Date: August 4, 2022

Consideration:

The Executive's Office requests Council consider approving a form License Agreement for use of the Sheriff's Office Gun Range Facility.

Background:

The Snohomish County Sheriff's Office permits certain public agencies use of its gun range located at 8915 Cathcart Way. Use is allowed by way of a license agreement. The County Council previously approved a form license agreement for use of the gun range facility in 2020 by Motion 20-054. The current fee for a public agency to use the gun range is \$85 per hour.

Current Proposal:

Scope: Motion 22-313 increases the per hour fee for use of the gun range to \$100 per hour to cover the costs incurred by the Sheriff's Office to allow training in this facility. The new agreement continues to allow the County to charge an hourly overtime fee. All public agencies who wish to use the facility will be required to provide proof of insurance prior to use. Additionally, if approved the motion would allow the Sheriff to sign all agreements with jurisdictions for use of the range on the approved form License Agreement.

Duration: Continuous

Fiscal Implications: This will increase the per hour use charge by \$15/per hour and bring in additional revenue to support the operation of the gun range.
