Why would you like to serve on this board/commission? I previously served on the Lynnwood Planning Commission starting in late 2019 through the end of 2023. I not only learned a lot during time, but I also enjoyed it. I didn't seek

another term after my husband won a position on the Lynnwood City Council.

I'm still very interested in zoning and planning issues and have been looking for another way to contribute to my community. I would be honored to have an opportunity to serve on the Snohomish County Planning Commission.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

My Masters degree in Public Administration didn't teach much specifically about planning or zoning issues, but I did learn a lot more broadly about how government works and how to read complex documents.

I also have 4 years of experience on the Lynnwood Planning Commission where I had an opportunity to learn a lot about both the level and type of work required for the position.

Finally, I'm a planning and zoning nerd and already read quite a bit on my own time about the various issues communities are facing and what is or isn't working to address those issues.

Please list community involvement/volunteer activities

At this time, no official activities. I'm often present at community events in Lynnwood and South County.

How did you learn of this opportunity?

By checking the website and through those I know from my time volunteering with the Lynnwood Planning Commission.
