Memorandum

To: Nate Nehring, County Council Chair
From: Dave Somers, Snohomish County Executive
Originator: Sarah Buker, Snohomish County Health Department
Subject: Reappointment to Snohomish County Board of Health

I am pleased to recommend the reappointment of Janet Anderberg to the Snohomish County Board of Health.

RCW 70.05.060 requires all local health jurisdictions to establish a local board of health to provide supervision over all matters pertaining to the preservation of the life and health of the people within its jurisdiction.

The Snohomish County Board of Health is comprised of nine total members – the Snohomish County Council chair and vice chair, one elected member from a large/medium city in the county, one elected member from a small city or town in the county, one community stakeholder, one healthcare facilities representative, one healthcare provider, one public health consumer, and one tribal representative.

Janet Anderberg is seeking reappointment as healthcare provider representative. Ms. Anderberg is a long-time Snohomish County resident and retired food safety expert with the Washington State Department of Health. She is well-versed in public health topics, particularly those concerning environmental health programs. She has worked in partnership with local and state public health agencies, as well as the CDC and FDA. Janet brings a wealth of experience and expertise to the Board.

Pursuant to SCC 2.03.030, I hereby recommend Council confirmation of Janet Anderberg for reappointment to the Snohomish County Board of Health for a second four-year term to expire on 12/31/2029.

Thank you for your consideration.
