Nor shall a waiver by either Party of any particular Default constitute a waiver of any other Default or any similar future Default.

15.7 No Assignment. This Agreement shall not be assigned, either in whole or in part, by either Party without the express written consent of the other Party, which may be granted or withheld in such Party's sole discretion. RE: Public Utility District #1 of Snohomish County certification of self-insurance

To Whom It May Concern,

Public Utility District No. 1 of Snohomish County maintains a comprehensive program of risk retention and insurance. Snohomish PUD's casualty insurance program covering public liability, including auto liability, bodily injury, and property damage insurance, has substantial limits in place. The self-insured retention is currently \$2,000,000 per occurrence. Excess insurance protection is maintained above this self-insurance retention, consistent with other utilities of our size. Additionally, the District is self-insured for Workers Compensation and Employers Liability. The applicable limits are \$2,000,000 each accident for bodily injury/each employee for bodily injury by disease.

If you would like to discuss this matter or need additional information, please call me at (425) 783-8605.

Thank you for your consideration.
