BRIEF DESCRIPTION:

The Paine Field Airport Fire Department (Fire Department) requests the use of a "piggyback" or "cooperative purchase" under SCC 3.04.220 utilizing a competition issued and awarded by U.S. General Services Administration (GSA).

U.S. General Services Administration, a Federal Government entity, issued competitive solicitation number 47QSMD20R0001 for Professional, Scientific and Technical Services on September 30, 2019. Issuing a county competition is not expected to result in a difference of supplier and is anticipated to result in significantly higher pricing.

On August 10, 2022, the use of GSA GS-35F-011BA was approved by Snohomish County Council, on Motion 22-324 for the purchase of KOVA Emergency Notification System for \$253,000. The Fire Department has an ongoing need for service and support of the Emergency Notification System and is therefore seeking Council approval for additional \$350,000.00 under the existing piggyback which has an ultimate contract end date of 10/14/2033.

The purchase of these support services supports the Fire Department's continuous mission to save lives and protect property.

AWARD AUTHORITY:

This contract award recommendation is before the County Council for approval to award in accordance with Snohomish County Code section 3.04.120, "Formal sealed bidding," and section 3.04.140(3) "Award, execution, by whom," which establish the County Council as the award authority for contracts subject to bidding requirements greater than \$500,000.

AWARD RECOMMENDATION:

The Director of Seattle Paine Field International Airport endorses the award recommendation.

The Purchasing Manager has electronically reviewed and recommends this award on ECAF 2024-1256.

The County Executive has electronically reviewed and recommends this award on ECAF 2024-1256.
