10. **Changes.** No changes or additions shall be made in this Contract except as agreed to by both parties and reduced to writing and executed with the same formalities as are required for the execution of this Contract. The parties may meet and discuss proposed modifications, if any, to this Contract, following submission of a report by the Executive to the County Council which:

- a. Describes all pertinent information regarding the Association's performance under this Contract;
- b. Discusses any significant difficulties or problems encountered during the term of the Contract; and
- c. Investigates and recommends any reasonable, cost-effective alternatives or improvements to the current Public Defender Program.

Nothing contained in this Contract shall be deemed to preclude any party from seeking modification of any term contained herein should an unforeseen and material change in circumstances arise. Any proposed modification shall first be presented to the other party for review and approval. If approval of such proposed modification is not received within fifteen (15) days, the matter may be resolved as provided in Section 19.

11. **Access to Books and Records; Audits and Inspections.** Except as prohibited by the attorney rules of professional conduct and the attorney-client privilege, all records of the Association on any matter covered by this Contract shall be made available to the Administrator, the County and/or the State Auditor at any time during normal business hours, and as often as such parties may reasonably deem necessary. The Association will permit such parties to audit, examine and make copies, excerpts or transcripts from any records, and shall allow such parties to audit all contracts, invoices, materials, payrolls, personnel records, conditions of employment and other non-confidential data relating to any matters covered by the Contract. In addition to the audit requirements defined above, the Association will participate in a performance audit paid for by the County.

12. **Hold Harmless.** The Association shall hold harmless, indemnify and defend the County, its officers, officials, employees, and agents, from and against any and all claims, actions, suits, liability, loss, expenses, damages and judgments of any nature whatsoever, including costs and attorney's fees in defense thereof, for injury, sickness, disability or death to persons or damage to property or business, caused by or arising out of the Association's acts, errors or omissions in the performance of this Contract, or those of Association's employees, agents, or subcontractors. PROVIDED HOWEVER, that the Association's obligation hereunder shall not extend to injury, sickness, death, or damage caused by or arising out of the sole negligence of the County, its officers, officials, employees, or agents. PROVIDED FURTHER, that in the event of the concurrent negligence of the parties, the Association's indemnity obligations hereunder shall apply only to the percentage of fault attributable to the Association, its employees, agents, or subcontractors.

With respect to the Association's obligations to hold harmless, indemnify and defend provided for herein, but only as such obligations relate to claims, actions, or suits filed against the County, the Association further agrees to waive its immunity under the Industrial Insurance Act, Title 51 RCW, for any injury or death suffered by the Association's employees

caused by or arising out of the Association's acts, errors, or omissions in the performance of this Contract. This waiver is mutually negotiated by the parties.

The Association's obligation hereunder shall include, but is not limited to, investigating, adjusting, and defending all claims alleging loss from action, error, omission, or breach of any common law, statutory, or other delegated duty by the Association, Association's employees, agents, or subcontractors.

By requiring the minimum insurance coverage set forth in this Section 13, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Association under this Contract. The Association shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

b. No Limitation on Liability. The Association's maintenance of insurance as required by this Contract shall not be construed to limit the liability of the Association to the coverage provided by such insurance, or otherwise limit the County's recourse to any remedy available at law or in equity.

c. Minimum Scope and Limits of Insurance. The Association shall maintain coverage at least as broad as, and with limits no less than:

(i) General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000 aggregate limit. CG 00 01 current edition, including Products and Completed Operations;

Contract for all liability policies except Workers' Compensation and Professional Liability, if applicable, must contain, or must be endorsed to contain, the following provisions:

(i) The County, its officers, officials, employees, and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the Association in connection with this Contract. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees, and agents. Additional Insured Endorsement shall be included with the certificate of insurance, "CG 2026 07/04" or its equivalent is required.

Professional Liability, Errors and Omissions insurance coverage, if applicable, may be placed with insurers with a Best's rating of B+:VII. Any exception must be approved by the County.

If at any time any of the foregoing policies fail to meet minimum requirements, the Association shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

e. Subcontractors. The Association shall include all subcontractors as insureds under its policies, or shall furnish separate certificates of insurance and policy endorsements for each subcontractor. Insurance coverages provided by subcontractors instead of the Association as evidence of compliance with the insurance requirements of this Contract shall be subject to all the requirements stated herein.

14. **Compliance with Laws.** The Association shall comply with all applicable federal, state, and local laws, rules, and regulations in performing this Contract.

15. **Non-discrimination.** It is the policy of the County to reject discrimination which denies equal treatment to any individual because of his or her race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability as provided in Washington's Law against Discrimination, Chapter 49.60 RCW, and the Snohomish County Human Rights Ordinance, Chapter 2.460 SCC. These laws protect against specific forms of discrimination in employment, credit transactions, public accommodation, housing, county facilities and services, and county contracts.

The Association shall comply with Chapter 2.460 SCC, which is incorporated herein by this reference. Execution of this contract constitutes a certification by the Association of the Association's compliance with the requirements of Chapter 2.460 SCC. If the Association is found to have violated this provision or furnished false or misleading information in an investigation or proceeding conducted pursuant to Chapter 2.460 SCC, this contract may be subject to a declaration of default and termination at the County's discretion. This provision shall not affect the Association's obligations under other federal, state, or local laws against discrimination.

16. **Public Records Act.** This Contract and all public records associated with this Contract shall be available from the County for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the Association are needed for the County to respond to a request under the Act, as determined by the County, the Association agrees to make them promptly available to the County. If the Association considers any portion of any record provided to the County under this Contract, whether in electronic or hard copy form, to be protected from disclosure under law, the Association shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by the Association and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify the Association (a) of the request and (b) of the date that such information will be released to the requester unless the Association obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the Association fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Association to claim any exemption from disclosure under the Act. The County shall not be liable to the Association for releasing records not clearly identified by the Association as confidential or proprietary. The County shall not be liable to the Association for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

17. **Termination.** The County may suspend or terminate payments pursuant to this Contract, in whole or in part, only after cause has been established by final judgment of the arbitration panel pursuant to Section 19 of this Contract. Cause shall include the following:

- b. Failure to comply with either the terms and conditions of this Contract, or with the Public Defender Program; or

18. **Non-Assignment.** The Association shall not sublet or assign any of the rights, duties,

or obligations covered by this Contract without the prior express written consent of the County.

19. **Disputes and Arbitration.** Disputes or claims arising under this Contract between the County and the Association shall initially be resolved by consultation between the Director of the Association and the Administrator, and are to be resolved in accordance with the laws of the State of Washington. If resolution of such dispute or claim is not obtained within fifteen (15) days of such consultation, the matter shall, at the request of the County or Association, be submitted to a three-person panel for final, binding arbitration. Such panel shall consist of three members, one of which shall be selected by the County Executive, one selected by the Association, and the third selected jointly by the other two members. Decision by the panel shall be reached by simple majority vote of its members, and shall be rendered within twenty-one (21) days of submittal of any such matter to it.

20. **Conflicts Between Attachments and Text.** Should any conflicts exist between any attached exhibit or schedule and the text of this Contract, the text shall prevail.

21. **Governing Law and Venue.** This Contract shall be governed by the laws of the State of Washington and any lawsuit regarding this Contract must be brought in Snohomish County, Washington.

22. **Integrated Document.** This Contract embodies the entirety of the agreement between the County and the Association for enactment and operation of the Public Defender Program, its terms, and conditions. No verbal agreements, conversations, understandings, or writings with any officer, agent, or employee of the County prior to the execution of this Contract shall affect or modify any of the terms, conditions, or obligations contained in any documents comprising this Contract. Any such verbal agreements, conversations, understandings, or writings shall be considered as unofficial and in no way binding upon the County.

23. **Approvals and Notices.** Except as otherwise provided under this Contract, when County approval, authorization, waiver, instructions, or determinations are required, they shall be effective only when given:

- a. In writing and signed by the Executive; or
- b. With respect to fiscal procedures, in writing and signed by the Executive or the Snohomish County Director of Finance.

24. **When Rights and Remedies Are Not Waived.** In no event shall any payment by the County or acceptance of payment by the Association constitute or be construed to be a waiver by such party of any breach of contract, covenant, or default which may then exist on the part of the other. The making or acceptance of any such payment while any such breach of default shall exist shall in no way impair or prejudice any right or remedy available with respect to such breach of default.

25. **Severability.** If any provisions of this Contract are held invalid, the remainder of the Contract shall not be affected thereby, if such remainder would then continue to conform to the terms and requirements of applicable law.
