Total's	0	\$6,500,000	0	0	0	\$6,500,000

Authority Granted: Authorizes the County Executive to execute the contract.

Background: Snohomish County has received a \$6,500,000 grant from the Washington State Department of Transportation to support planning and establishing facilities to evaluate, qualify or certify, and research technologies that can minimize the impact of aviation on human health and the environment. Funds may be used for, but are not limited to, planning, construction, and land acquisition for sustainable aviation fuel (SAF) qualification testing research on the impact of SAF on the environment and human health, and SAF storage for the purpose of advancing sustainable aviation.

Requested Action: Move to Council to set time and date for a Public Hearing.
