THIS IS A CLAIMS MADE AND REPORTED POLICY. THIS POLICY ONLY APPLIES TO CLAIMS THAT ARE FIRST MADE AGAINST THE INSURED AND REPORTED IN WRITING TO US DURING THE POLICY PERIOD OR ANY APPLICABLE EXTENDED REPORTING PERIOD. CLAIM EXPENSES ARE INCLUDED WITHIN THE LIMIT OF LIABILITY AND THE LIMIT OF LIABILITY AVAILABLE TO PAY DAMAGES SHALL BE REDUCED AND MAY BE COMPLETELY EXHAUSTED BY THE PAYMENT OF CLAIM EXPENSES. PLEASE READ THIS POLICY CAREFULLY.

In consideration of the payment of the premium, **your** obligation to pay the deductible, and in reliance on all statements in the Application and all supplementary information **you** provide to **us**, and subject to the Declarations, and all other terms, conditions, limitations, exclusions, and endorsements of this Policy, the **Named Insured** and **we** agree as follows:

A. INSURING AGREEMENT

Subject to all terms and conditions of this Policy, **we** will pay on **your** behalf all **claim expenses** and **damages** up to the Limits of Liability as set forth in the Declarations of this Policy for a **claim** to which this Policy applies that is first made against **you**: (1) during the **policy period**, or (2) during a prior policy issued by **us** and continuously renewed by the **Named Insured** up to the present **policy period**.

However, this Insuring Agreement shall apply only if:

1. The **claim** arises from a **wrongful act** in the performance of **legal services** by **you** on behalf of the **Named Insured** or any **predecessor firm**, or pro bono **legal services** performed with the knowledge and consent of the **Named Insured** or **predecessor firm**, that occurs after the Policy retroactive date and before the Policy expiration date;
2. The **claim** was reported to **us** during the **policy period**, or if applicable, during the Automatic Extension of Time to Report Claims or Extended Reporting Period;
3. The **claim** was not the subject of any notice previously given to any insurer, nor was the **claim** made under another policy of insurance;
4. The applicable Limits of Liability of this Policy have not been exhausted by the payment of **claim expenses** or **damages**; and,
5. As of the **continuous insurance start date** no **Insured** knew or reasonably should have known of any same or related **wrongful act, legal service, fact, circumstance or adverse outcome** that might result in a **claim**.

C. DEFENSE, SETTLEMENT AND SUPPLEMENTARY PAYMENTS

1. Defense of Claims

We have the right and duty to defend **claims** brought against **you** seeking **damages** to which this Policy applies. However, **we** shall have no duty to defend **claims** brought against **you** seeking **damages** or asserting **claims** not covered by this Policy. When **we** have paid **our** Limits of Liability as provided in the Declarations of this Policy as payment of **damages** or **claim expenses**, or after depositing the remaining Limit of Liability into the registry of a court of competent jurisdiction, **our** obligation to pay any **damages** or **claim expenses**, or to undertake or continue the defense of any **claim** or suit, ends. Upon such payment or deposit, **we** have the right to withdraw from the further defense of the **claim** or suit by tendering the defense of the **claim** or suit to **you**. **You** agree to accept the tender of the defense when **we** withdraw.

2. Defense Counsel

While **we** welcome **your** input in selecting defense counsel, **we** retain the exclusive right to make that selection. **Our** determination as to the reasonableness of **claim expenses** is conclusive.

3. Settlement

We will not settle a **claim** without **your** consent; however, **you** may not unreasonably withhold such consent. If **you** withhold consent to any settlement that **we** recommend, then **our** liability for the **claim** will not exceed the amount for which the **claim** could have been settled, plus **claim expenses** incurred up to the date of **your** refusal to consent. When total **claim expenses** and **damages** reach the amount for which the **claim** could have been settled, plus **claim expenses** incurred up to the date of **your** refusal to consent, **we** have no further liability for **claim expenses** or **damages** and have the right to withdraw **our** defense of the **claim**. **You** agree to accept the tender of the defense when **we** withdraw.

You shall not settle or offer to settle any **claim**, incur any **claim expenses**, enter into a tolling agreement, or otherwise assume any contractual obligation, or admit any liability with respect to any **claim** without **our** prior written consent. **We** shall not be liable for any settlement, **damages**, **claim expenses** or assumed obligations or admissions for which **we** have not given **our** prior written consent.

4. Collaborative Defense

You deductible as provided in the Declarations of this Policy will be reduced by fifty percent (50%) for the relevant **claim** if **we** mutually collaborate with **you** to successfully resolve the **claim** and, as a result of such collaboration, any of the following occurs:

- a. The **claim** is settled or resolved by **us** at mediation before suit is filed at terms and conditions and for an amount acceptable to **us**;
- b. The **claim** is settled or resolved at mediation within 365 days after suit is filed at terms and conditions, and for an amount, acceptable to **us**;
- c. The **claim** is settled or resolved as evidenced by a written settlement agreement and within 365 days of the date the **claim** is reported to **us** at terms and conditions, and for an amount, acceptable to **us**;
- d. The **claim** is settled or resolved by **us** within **your** deductible as provided in the Declarations of this Policy, including all payments for **damages** and **claim expenses**; or,
- e. The **claim** arises from **legal services** that are the subject of a written engagement letter detailing the scope of **legal services** to be provided by **you**, the identity of all clients for whom **you** have agreed to provide such **legal services**, the related fee arrangements, and is signed by **you** and the client no later than thirty (30) days from the commencement of **legal services**.

However, the amount of the deductible reduction will not exceed \$25,000 for the relevant **claim**.

5. Pre-Claim Investigation Assistance

For any **potential claim** against an **Insured** reported to us in accordance with section F. CONDITIONS, 2. Notice of Potential Claims, **we** may, at **our** sole discretion, investigate and pay **claim expenses** resulting from such investigation of a **potential claim**. In order to qualify for Pre-Claim Investigation Assistance under this provision, **potential claims** must be otherwise covered under the terms and conditions of the Policy.

6. Supplementary Payments

The most **we** will pay for all Supplementary Payments payable under this Section is \$200,000 per **policy period**, regardless of the number of Supplementary Payments sought or number of claimants or **insureds** involved. Payments made pursuant to this provision of the Policy are not part of and do not erode the Limits of Liability set forth in the Declarations and are not subject to the Deductible. Supplementary Payments will be made only for the following:

a. Loss of Earnings

If **we** request in writing that **you** attend a trial, hearing, arbitration proceeding, or mediation in connection with the defense of a **claim**, **we** will reimburse **you** up to \$500 per day for **your** actual lost earnings and expenses for such attendance for each day or part of a day **you** attend. The most **we** will pay under this subsection is \$10,000 per **claim** defended by **us**, and \$50,000 in the aggregate for all **claims** defended by **us** during the **policy period**. **You** must seek payment of any loss of earnings in writing and submit proof of **your** lost earnings or expenses in a form acceptable to **us** within ninety (90) days of such attendance.

b. Defense of Disciplinary Proceedings

We will defend **you** in any **disciplinary proceeding** brought against **you** during the **policy period** arising from a **wrongful act** that takes place on or after the Policy retroactive date and reported to **us** during the **policy period**. Under this provision, **we** will pay reasonable **disciplinary proceeding expenses** up to a maximum of \$50,000 per **disciplinary proceeding** and \$100,000 in the aggregate per **policy period** regardless of the number of **Insureds** involved in **disciplinary proceedings**, or the number of **disciplinary proceedings** brought against **you** during the **policy period**.

You shall not incur any **disciplinary proceeding expenses** without **our** prior written consent. **We** shall not be liable for any settlement or **disciplinary proceeding expenses** or assumed obligations or admissions for which **we** have not given **our** prior written consent. When **we** have paid the maximum amount of **disciplinary proceeding expenses** provided under this provision, **our** obligation to pay any **disciplinary proceeding expenses**, or to undertake or continue the defense of any **disciplinary proceeding**, ends. Upon such payment, **we** have the right to withdraw from the further defense of the **disciplinary proceeding** by tendering the defense of the **disciplinary proceeding** to **you**. **You** agree to accept the tender of the defense when **we** withdraw.

c. Crisis Event Expenses

We will reimburse **you** up to \$25,000 for all **crisis event expenses you** incur as a result of any and all **crisis events** that first occur during the **policy period**, and which are reported to **us** during the **policy period** or within sixty (60) days thereafter. Under this subsection, the most **we** will pay is \$25,000 in the aggregate for all **crisis event expenses** incurred as the result of a **crisis event** occurring during the **policy period**, regardless of the number of **crisis events**, claimants or **insureds** involved. Under no circumstance will **we** have a duty to defend any **Insured** under this provision. **Our** obligation to reimburse **you** for **crisis event expenses** is expressly made contingent upon **you** submitting **your** request for reimbursement along with proof of **your** loss in a form acceptable to **us** within sixty (60) days of when the **crisis event expense** payment was made.

d. Privacy Incident

We will reimburse **you** up to \$25,000 for all **privacy incident expenses you** incur as a result of any and all **privacy incidents** that first occur during the **policy period**, and which are reported to **us** during the **policy period** or within sixty (60) days thereafter. Under this subsection, the most **we** will pay is \$25,000 in the aggregate for all **privacy incidents expenses** incurred as the result of a **privacy incident** occurring during the **policy period**, regardless of the number of **privacy incidents**, claimants or **Insureds** involved. Under no circumstance will **we** have a duty to defend any **Insured** under this provision. **Our** obligation to reimburse **you** for **privacy incident expenses** is expressly made contingent upon **you** submitting **your** request for reimbursement along with proof of **your** loss in a form acceptable to **us** within sixty (60) days of when the **privacy incident expense** payment was made.

e. Subpoena Assistance

We will pay reasonable and customary fees for necessary legal work performed by attorneys designated by **us** to advise **you** regarding the production of documents and/or to prepare you to testify and represent you during your testimony in response to a subpoena, provided that:

- (1) The subpoena must be issued in a civil proceeding and not a criminal proceeding;
- (2) The subpoena must arise from **your legal services** performed on or after the Policy retroactive date;
- (3) The subpoena must be reported to **us** with full details, including a copy of the subpoena, no later than three (3) business days from **your** receipt of service, or if not possible, as soon as practicable, and in no event later than the earlier of the day prior to the subpoena response due date or the end of the **policy period**, whichever is sooner;
- (4) The subpoena is not, or does not arise from, a **potential claim**;
- (5) **You** must not be a party to the action out of which the subpoena arises;
- (6) **You** must have not been retained to provide an opinion, advice or testimony in connection with such action; and,
- (7) **You** must provide **us** with any information and documents **we** reasonably request.

The maximum we will pay for all subpoenas received and reported during the **policy period** is \$25,000 in the aggregate, regardless of the number of **Insureds** involved, or the number of subpoenas received by **you**.

D. LIMITS OF LIABILITY AND DEDUCTIBLE

1. Limit of Liability – Per Claim

The PER CLAIM LIMIT OF LIABILITY shown on the Declarations of this Policy is the most **we** will pay for all **damages** and **claim expenses** for each **claim**, regardless of the number of **related claims** made, causes of actions asserted, **wrongful acts**, or number of claimants or **Insureds**.

2. Limit of Liability – Aggregate

The AGGREGATE LIMIT OF LIABILITY shown on the Declarations of this Policy is the most **we** will pay for **damages** and **claim expenses** for all **claims**, regardless of the number of **claims** or **related claims** made, causes of actions asserted, **wrongful acts**, or number of claimants or **Insureds**.

3. Claim Expenses

Claim expenses we pay are a part of, and not in addition to, the Limits of Liability, and payment by **us** of **claim expenses** shall reduce and may exhaust the Limits of Liability.

4. Deductible

You are obligated to pay all **claim expenses** and **damages** up to the amount of the deductible shown in the Declarations for each and every **claim**. However, the first \$25,000 of **claim expenses** shall not be subject to the deductible and will be paid directly by **us**. The deductible shall be payable by **you**, as **claim expenses** in excess of \$25,000 are incurred or as **damages** are paid. The most **you** will pay for all **damages** and **claim expenses** as deductible for all **claims** under this Policy shall not exceed the amount stated in the Declarations as the Aggregate Deductible, if applicable. Payment of the deductible shall be made by **you** within thirty (30) days of **our** demand for payment. **We** reserve the rights for all remedies available under the law if **you** fail to make such payment when due.

5. Related Claims

All **related claims** will be treated as a single **claim** and subject to the Per Claim Limit of Liability stated in the Declarations of this Policy and will be deemed to have been made at the time the first of such **related claims** was made. Neither the making of a **claim** against multiple **Insureds**, the making of multiple **claims**, nor the making of **claims** by multiple people or entities, shall operate to increase either the Per **Claim** Limit of Liability or the Aggregate Limit of Liability under this Policy.

6. Multiple Policies Issued by Us

If more than one lawyers' professional liability policy, including an extended reporting period endorsement of any such policy, issued by **us**, or by a past, present or future parent, subsidiary, or affiliate of **ours**, applies to the liability of an **Insured**, **we** shall not be liable for payment of **damages** and **claim expenses** under more than one policy. Any duty to pay **damages** and **claim expenses** shall be confined to the policy containing the largest applicable limit. If the limit of liability on each policy is the same, the most **we** shall pay under all applicable policies shall not exceed the limits of liability of any one policy.

E. EXCLUSIONS

This Policy does not apply to:

1. Any **claim** or request for Supplementary Payments based upon, arising out of, directly or indirectly resulting from or in consequence of, or in any way involving any of the following:
 - a. Any malicious act, intentional act, or abuse of process, other than an offense resulting in **personal injury**;
 - b. Any dishonest or fraudulent act;
 - c. Any willful or criminal violation of any law, statute or regulation;
 - d. Any libel or slander committed with knowledge of its falsity; or
 - e. Any act committed with knowledge that the act would violate the rights of another and would inflict **personal injury**.

However, **we** will defend and pay **claim expenses** or **disciplinary proceeding expenses** for such allegations only if the **claim** or **disciplinary proceeding** is otherwise covered by this Policy, and until there is a final adjudication, judgment, order or ruling by a court or administrative body, or binding arbitration decision or conviction against an **Insured**, or a written document, legal admission or statement by an **Insured** establishing such conduct set forth in this exclusion, or a plea of *nolo contendere* or no contest regarding such conduct set forth in this exclusion. Once such conduct set forth in this exclusion is established as described above, **we** have the right to withdraw from the defense of the **claim** or **disciplinary proceeding**, the **Insured** shall reimburse **us** for all **claim expenses** or **disciplinary proceeding expenses** **we** incurred defending the conduct set forth

in this exclusion, and **we** will have no further liability for **claim expenses** or **disciplinary proceeding** or **damages**. **You** agree to accept the tender of the defense when **we** withdraw.

Whenever coverage under this provision would be excluded, suspended or lost because of such conduct set forth in this exclusion by any **Insured**, **we** agree that such coverage, as would otherwise be afforded under this Policy, shall be applicable with respect to an **Insured** who did not personally participate, or personally acquiesce in or remain passive after having personal knowledge of such conduct.

Because our risk management services start on day one, here are a few tips:

- **Missed Deadlines** – A common error that causes numerous claims every year. A well-organized calendaring system designed for multiple independent inputs, whether kept in time management software, Outlook or an organized paper system, goes a long way to avoiding this risk.
- **Client Intake Procedures** – Maybe the best opportunity to avoid multiple risks. Ensure that there are procedures in place to evaluate such issues as conflicts of interest, client expectations (can they be reached?), or if the client has had a history of problems with other attorneys.
- **Too Much Stress** – A cause of increased errors. Learn to recognize the signs of stress, substance abuse and other emotional troubles. Firms should have documented procedures in place to recognize and address lawyers who need help before a problem arises.
- **Fee Suits** – A frequent and growing cause of malpractice counterclaims. Given the challenging economic conditions, it becomes even more critical to have a process in place to evaluate whether and when a suit for fees should be filed.

As you review your policy, should you have any questions please call your agent or Attorney Protective at (877) 728-8776.

Your AttPro Team

The policy offered through AttPro RRG's program provides comprehensive coverage. Here are just a few of the unique provisions you should keep in mind when a claim or disciplinary matter arises:

- The AttPro RRG program policy pays the first \$25,000 in defense costs and fees on every covered claim before your deductible needs to be paid. If the defense costs and fees to resolve the claim are less than \$25,000 and there is no indemnity payment, then you will not need to pay the deductible.
- If you are called in front of a disciplinary board, the AttPro RRG program policy pays for the defense of disciplinary proceedings of up to \$50,000 per proceeding and up to \$100,000 during the policy period.
- There are five different ways to reduce your deductible by 50% on every claim. You can review the five ways under the Collaborative Defense section of your policy.

We recommend that you keep this sheet with your policy for easy reference.

A Few Risk Tips for Your Firm

To avoid a lawsuit resulting from a missed deadline, every attorney should have his/her own well-organized calendaring system. If feasible, good intake procedures should include:

- ✓ A system designed for multiple independent inputs, whether kept in time-management software, Outlook or an organized paper system
- ✓ A backup, if at all possible
- ✓ A firm-wide calendaring system with a single data entry point
- ✓ Automatic reminders generated to the responsible attorney and to his/her secretary/assistant
- ✓ A process to double check entries after they are entered

Careful client intake procedures may be one of the best opportunities to avoid the risk of lawsuits and claims. Examples of good client intake procedures include:

- ✓ A well-documented, comprehensive, and systematic process of examining and accepting new clients
- ✓ A robust conflict of interest checking process
- ✓ An early assessment of the reasonableness of client expectations
- ✓ A careful review of a new client's reasons for changing attorneys during the pendency of an existing matter
- ✓ An honest evaluation of whether the firm and attorney have the requisite subject matter expertise sufficient to competently handle the matter

A robust conflict of interest checking process should include:

- ✓ A written process that ensures mandatory and consistent conflict checks at client intake
- ✓ Examination of potential conflicts caused by personal relationships
- ✓ Examination of potential conflicts caused by business relationships
- ✓ Review of prior case involvement of non-lawyer staff
- ✓ A review of your state laws and ethics rules to determine if a conflict can be waived
- ✓ Careful documentation, if it is determined that a conflict can be waived
- ✓ Use of a written and signed conflict waiver in any matter where a conflict may arise, or even one where a conflict may appear to have arisen

Instituting a suit against a client for unpaid fees results in a counterclaim for malpractice in a high percentage of cases, and should therefore be considered only as a last resort. A proactive approach to avoid fee disputes includes:

- ✓ A thorough evaluation of the client's ability to pay the fees during client intake
- ✓ An engagement letter that clearly outlines fees and expenses
- ✓ Withdrawing from the case promptly if fee disputes cannot be resolved
- ✓ A review of state laws and ethics rules prior to withdrawing from a case
- ✓ Careful timing of suits to avoid malpractice claims where possible
