ECAF: 2022-0697

Motion: 22-294

Analyst: Nicole Gorle

Date: July 26, 2022

Consideration:

Authorize the Executive to execute two Critical Area Site Plans for Kayak Point Park Day Use Renovation Project.

Background:

Kayak Point Park's day use area is being extensively renovated, adding additional recreation space, moving parking away from the shoreline, improving the boat launch, and making habitat improvements. In accordance with SCC 30.62A.160, a Critical Area Site Report was required and conducted for this project in April 2022. The report determined that designation of critical area's was required for construction of this project.

Current Proposal:

Scope: Approve two Critical Area Site Plans required to proceed with construction at Kayak Point Park for improvements to the day use area. Both Critical Area Site Plans have been approved by PDS.

2022 Budget: n/a – no fiscal impact tied to the site plans approval

Future Budget Impact: n/a – no fiscal impact tied to the site plans approval
