**Duration:** December 11, 2025, through December 10, 2030.

**Authority Granted:** Approves and authorizes the County Executive to execute the Interlocal Agreement and associated Work Orders and amendments between Snohomish County and the city of Everett to provide information technology services, under RCW 39.34 and SCC 3.04.210 and 3.01.140(11).

**Background:** The SCIT has negotiated with the city of Everett for the use of the County's technology infrastructure and expertise. The proposed agreement includes the terms and conditions of the agreement. Each WO will include a description of the specific services, term and cost from the published rate or fee schedule. The scope of information technology goods and information services to be provided are limited to the following:

- Space in the Meet-Me-Room rack to mount Agency's network equipment in the SCIT data center.
- Provide cross-connections to connect to other agencies or services located in the SCIT data center.
- Assist in the planning, management, control, operations, and use of integrated cities, jurisdictional, government and County networks, telecommunications, information processing, systems and equipment required by the Agency; provide Internet Service Provider (ISP) services.
- Coordination of the planning, management, control, operation, and use of information services, backbone network, telecommunications, information processing, equipment, purchased services and proprietary software required by the Agency.
- Provide Orthoimagery through Snohomish County's agreement with Eagle View (Pictometry International Corp.)

**Requested Action:** For Council to move the motion to GLS on December 3, 2025, for consideration.
