Why would you like to serve on this board/commission?	I am interested in serving on the Law and Justice Council because I have a passion for supporting my community and making meaningful impacts. Through previous leadership roles in high school and college, I had discovered this passion and would love to continue to do similar work by serving on the Law and Justice Council. Additionally, I am currently continuing my education, pursuing my goal of becoming a lawyer. Thus, I believe that this would be a great opportunity to expand my knowledge and understanding of this field while contributing to the council's work.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	<p>During my time at Cascadia College, I served as the Events and Advocacy Board (EAB) Clubs Coordinator. In this position, I oversaw more than 25 clubs and stayed in constant communication with club leaders, I organized and facilitated bi-weekly Club Council (a voting board comprised of club leaders) meetings, I planned and coordinated multiple campus involvement and resource fairs and directed other outreach efforts, I tracked club involvement data, and I advocated for the student body, along with other things.</p> <p>Additionally, during my junior and senior year at Glacier Peak High School, I served as the Executive Public Relations Officer. In this position, I was in constant communication with many different student groups on campus to communicate their events or activities to the student body. Additionally, I was in constant communication with our schools' admins and established biweekly meetings between them and our leadership team, I led a fundraiser which raised over \$30,000 for our local food bank, I advocated for the student body, and I trained other student leaders, along with other things.</p> <p>These specific experiences, along with my many other professional, educations, and life experiences, have allowed for me to be creative, optimistic, and motivated person. They have also strengthened my problem solving, time management, and organizational skills. Thus, I believe that I would be a great fit to serve on the Law and Justice Council.</p>
Please list community involvement/volunteer activities	Cascadia College Events and Advocacy Board (EAB) Clubs Coordinator, Phi Theta Kappa Honor Society, Glacier Peak High School Executive Public Relations Officer, Speech and Debate Club, Honor Society (high school)
