PROPOSED ORDINANCE NO. 24-082  
APPROVING DATA SHARING AGREEMENT WITH  
WASHINGTON STATE DEPARTMENT OF HEALTH

**Summary:** The ordinance approves a Data Sharing Agreement for Snohomish County to access Washington State Department of Health's Washington Emergency Medical Services Information Systems (WEMSIS) portal for confidential information or limited datasets. The WEMSIS provide quarterly county opioid analytic datasets. These datasets are needed to identify areas in Snohomish County with higher rates of opioid responses to better address the local public health approach and resource allocation and serve as input for the comprehensive analysis of violence across Snohomish County and will contribute to a county-wide report focusing on injury and violence among youth and young adults in Snohomish County. The Snohomish County Health Department will integrate this data into a visual map, plotting where events took place throughout Snohomish County and overlaying various community resources to determine proximity to care in addition to integrate with various other data streams. Data will only be used by Snohomish County staff for informing public health interventions.

At the Public Hearing, the Council may consider amendments to the proposed ordinance.
