Why would you like to serve on this board/commission?	I have enjoyed serving on the board. I feel that it is a great group to get information from and contribute information to. It is a great way for me to find out information that I can share with families and my school district as well.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have been serving on the board for several years now. I feel I am qualified because I can bring the educator/transition teacher view to the group. I have also had 2 adopted children with disabilities allowing me to have a parent lens on as well.
Please list community involvement/volunteer activities	I have worked with DVR, DDA and various programs in the community to help connect my students and their families to services. I have volunteer with the advisory board for several years. I have attended the transition network meetings through the county on a regular basis. I have volunteered to help plan the Snohomish County Transition Fair for 12 year, I think now, and have presented at it for the last 4 years. I am also a volunteer at the Everett Yacht Club on their social committee and some with their house committee.
How did you learn of this opportunity?	I learned about it from, now retired, Snohomish county staff members.
Do you currently serve on a Snohomish County board or commission?*	Yes
