Hello,

My name is Shyla Agrawal, and I am a Snohomish County resident. I would like to speak for 3 minutes during the Public Comment during tomorrow morning's General Public Comment session on Wednesday, June 17 on road noise in SnoCo.

I am writing to submit the attached data visualization materials to be distributed to the Councilmembers, during my talk.

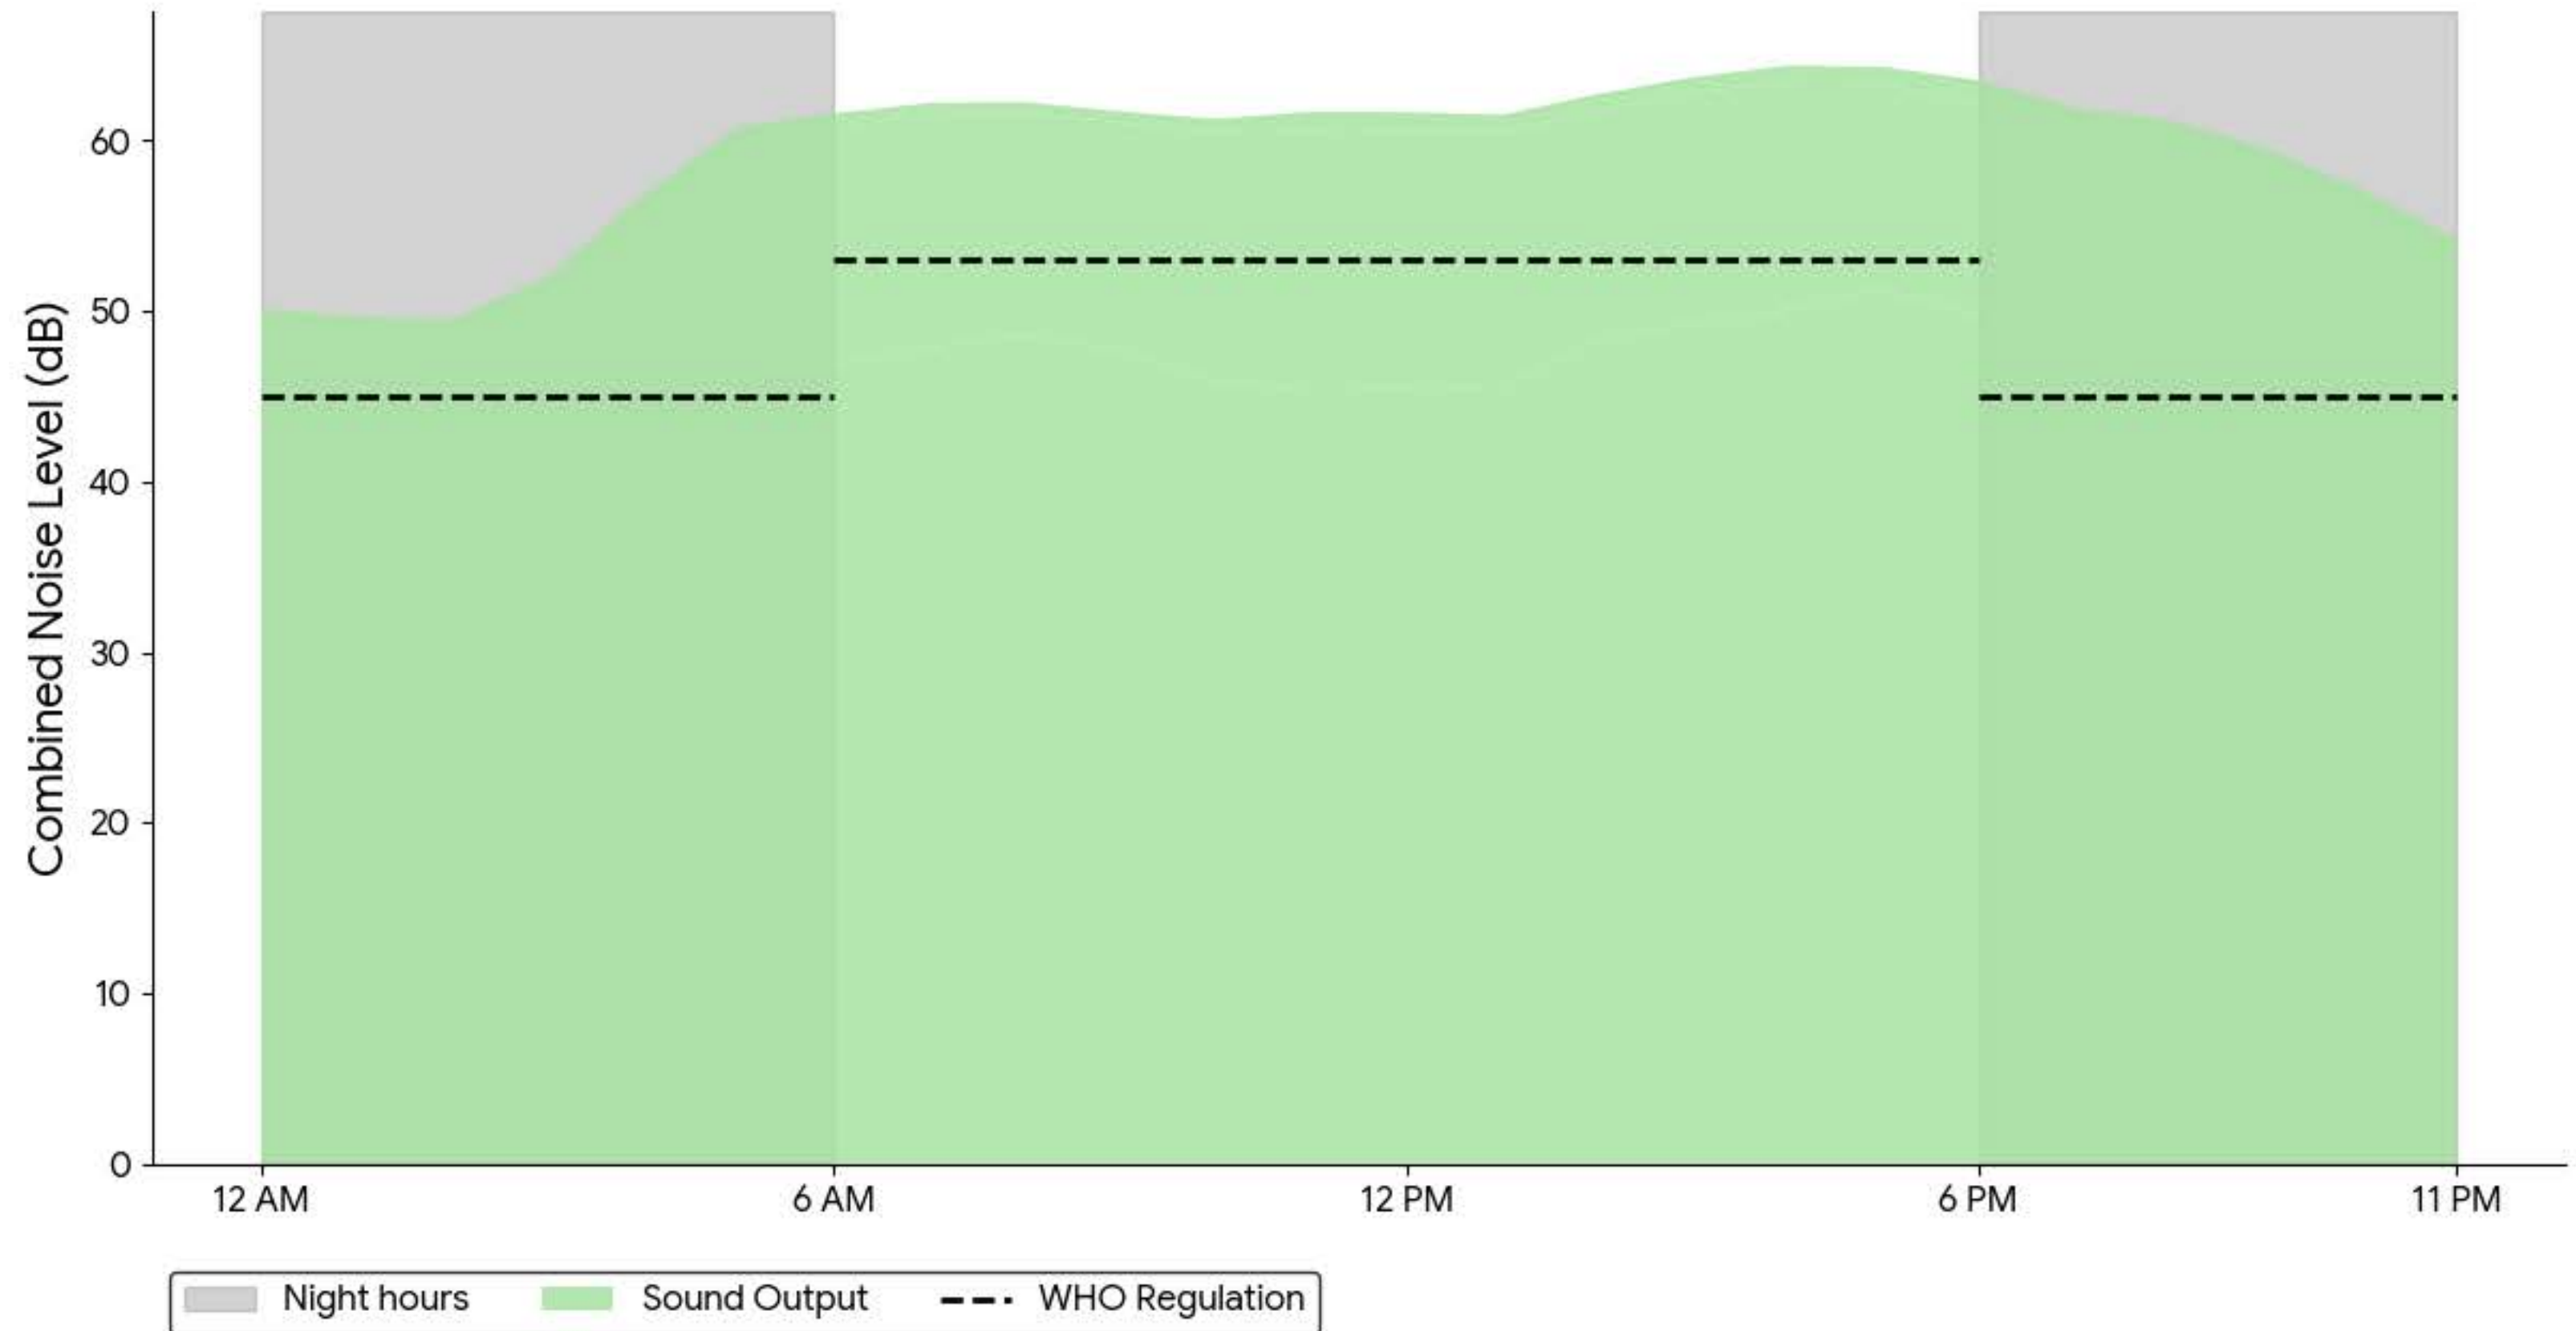

Best,
Shyla Agrawal

Road Noise Reduction in SnoCo

Shyla Agrawal

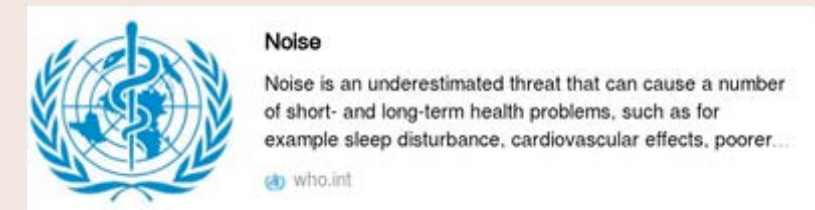

Average Estimated Noise Output Per Hour on SnoCo roads

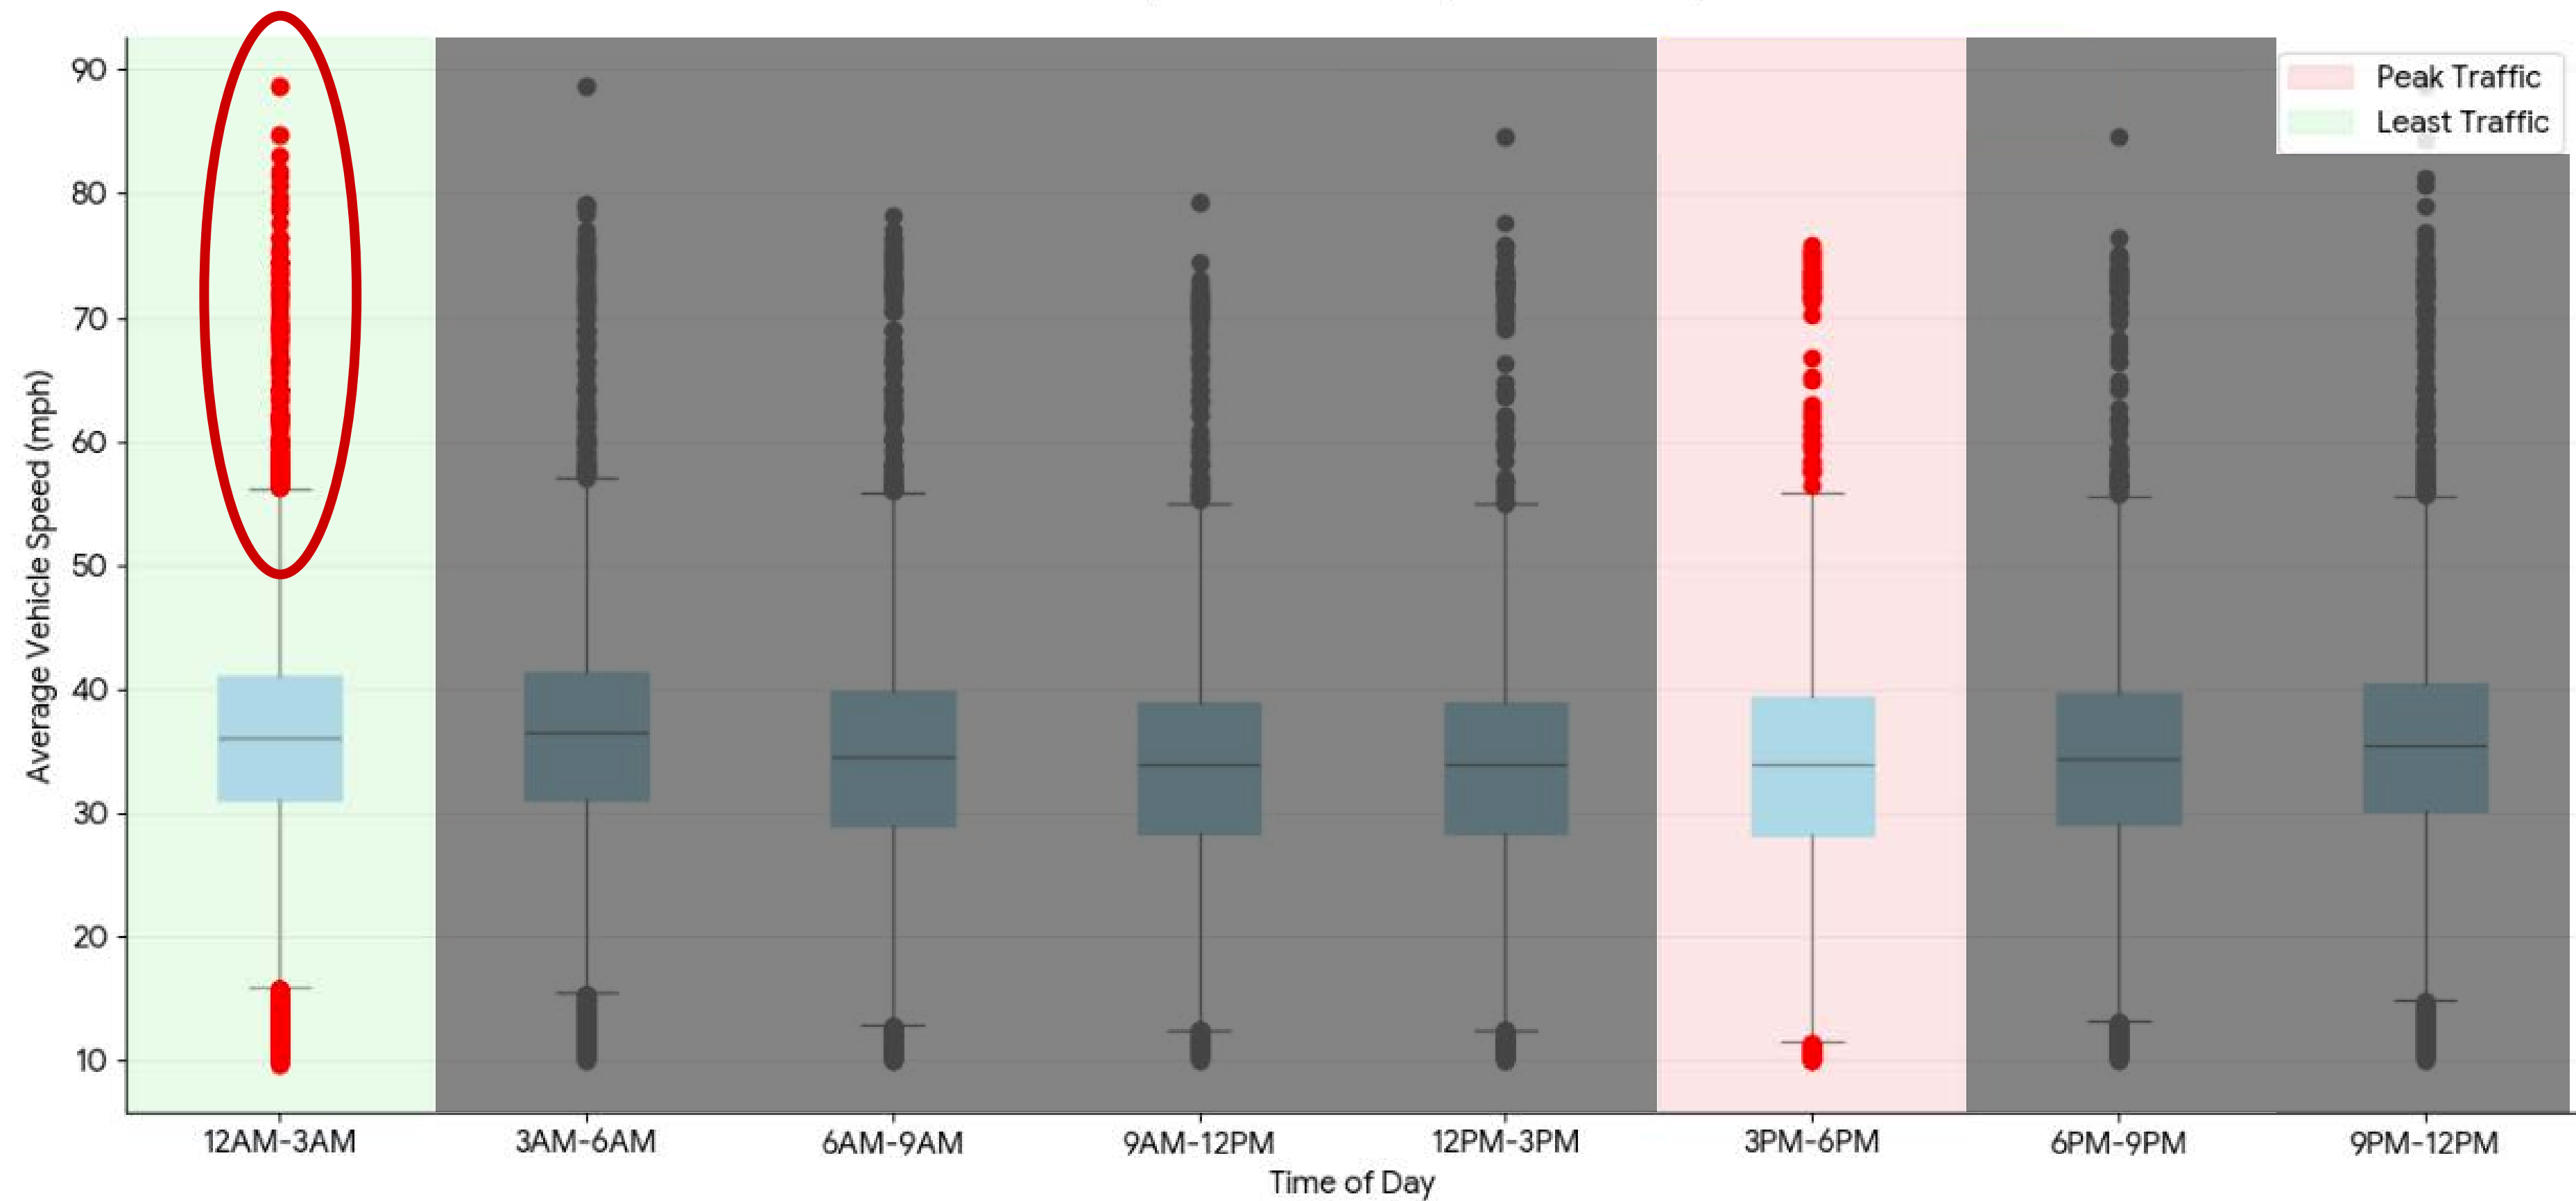

Repercussions of Road Noise

“Noise is an underestimated threat that can cause a number of short- and long-term health problems, such as for example **sleep disturbance, cardiovascular effects, poorer work and school performance**”

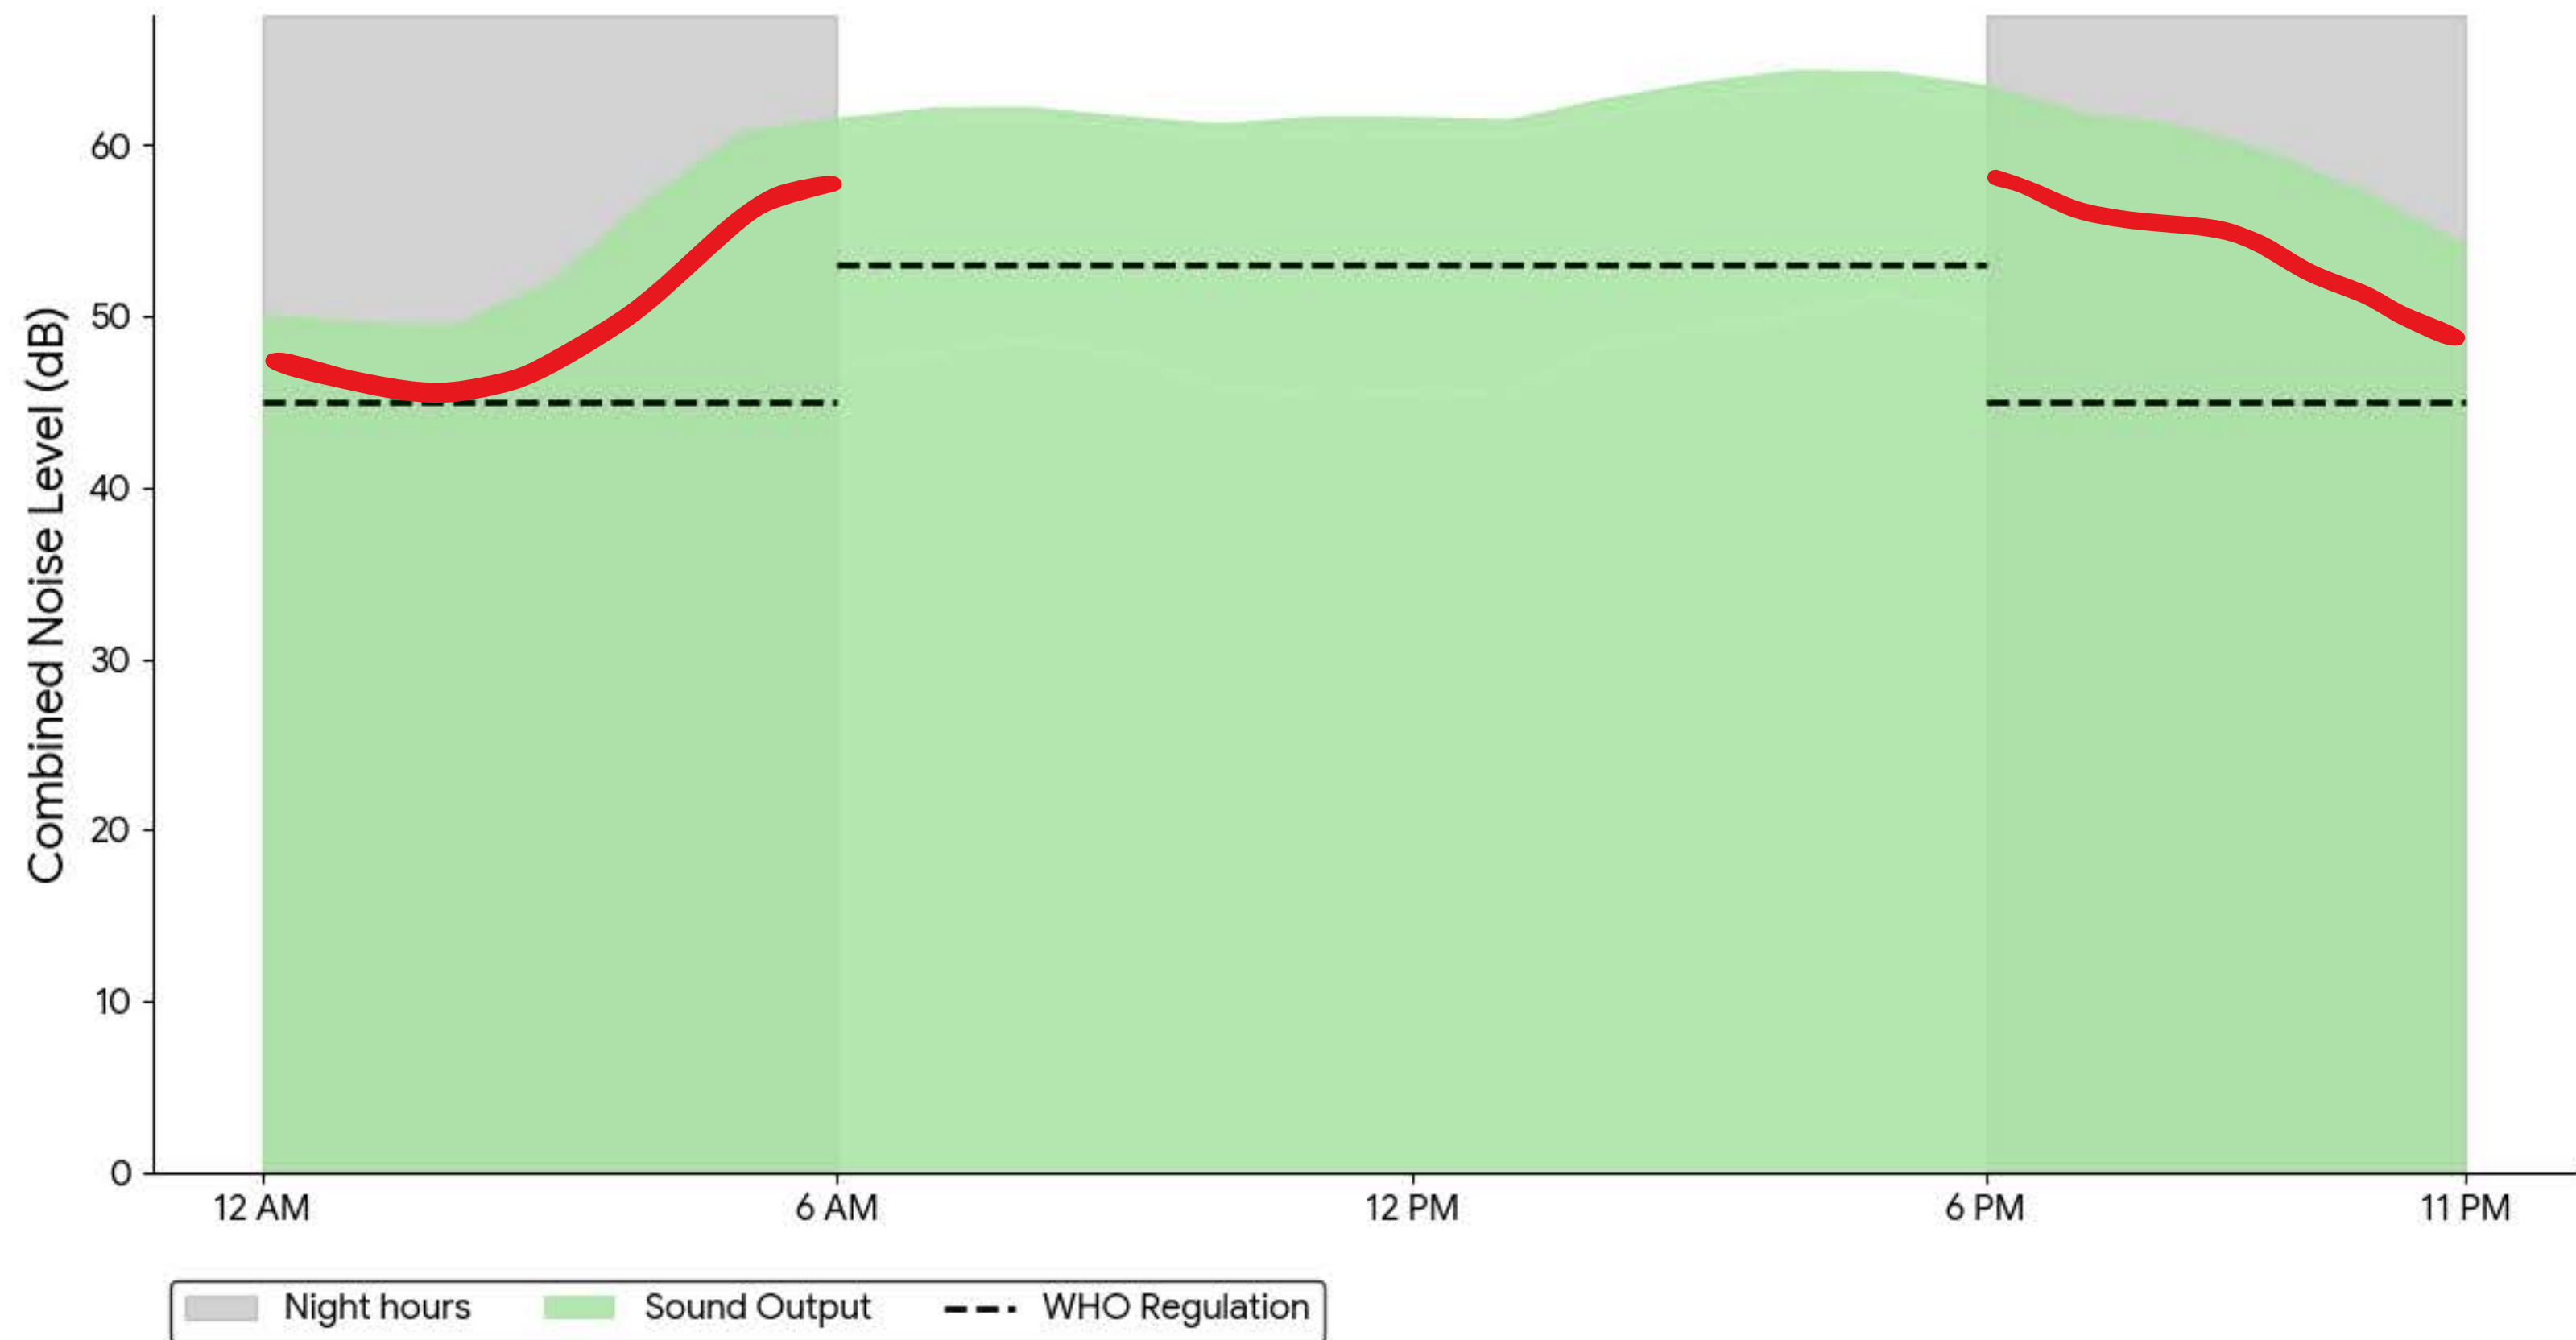

World Health Organization (WHO)

Vehicle Speed Variations by Traffic Density

Average Estimated Noise Output Per Hour on SnoCo roads
