**ECAF:** 2023-0261, 0262, 0263, 0264, 0267

**Proposal:** Motions 23-114 – 23-118

**Date:** March 21, 2023

### **Consideration:**

Proposed Motions 23-114, 23-115, 23-116, 23-117 and 23-118 which would make (re)appointments to the Community Services Advisory Council.

### **Background**

The Community Services Advisory Council (CSAC) was established in 1986 (SCC 2.420) and is tasked with advising the County Executive and County Council on causes and potential solutions to poverty. CSAC is comprised of between 12 to 24 members with representation from relevant stakeholder groups (community/private sector, low-income representatives, and public elected officials). Efforts are made to ensure each district is represented, however it is contingent on the pool of applicants. Each member is appointed to a four-year term and may not serve more than two consecutive terms.

CSAC is responsible for engaging with the Snohomish County community to address needs and address causes of poverty. Additionally, CSAC oversees administration of the Community Services Block Grant (CSBG), a federal program that provides funds to “alleviate the causes and conditions of poverty and remove obstacles to self-sufficiency in communities.”<sup>1</sup>

CASA Mission “The Advisory Council’s mission is to make Snohomish County more responsive to the needs and interests of the poor by mobilizing both government and non-government resources, and creating greater institutional sensitivity through education and advocacy.”<sup>2</sup>

Members commit to identifying needs from the Community Needs Assessment; an estimated three hours monthly for CSAC meetings, activities, and preparation; attending all regularly scheduled meetings (which are held during business hours); and willingness to attend the annual planning meeting. Members serve without compensation.
