RE: Puget Sound Energy Self-Insurance Certification
Franchise Agreement

To Whom It May Concern:

Puget Sound Energy maintains a comprehensive program of risk retention and insurance.

Our casualty program for General Liability, Auto Liability, Workers Compensation and Employers Liability insurance has substantial limits in place. The self-insured retention, which is currently \$2,000,000 per occurrence, is consistent with our net worth and cash flows. Evidence of Puget's financial solvency and capacity to pay claims, via SEC 10K and 10Q filings, can be accessed at <http://www.pugetenergy.com/pages/filings.html>. Excess insurance protection above this retention is in place and a certificate evidencing this excess insurance policy is attached.

Puget Sound Energy hereby commits its self-insurance program to its obligations to Snohomish County and will respond per the indemnification terms of the referenced Franchise as if a policy of insurance were issued to include Snohomish County as additional insured.

Cordially,

Julie Milbrandt
Insurance Program Manager
