Snohomish County Fire District 24 - Coronavirus Education Prevention Facility

Project Sponsoring Agency

Snohomish County Fire District 24

Project Title

Coronavirus Education Prevention Facility

Program Year

2023

Grantee/PJ Project ID #

NA

Project Description

Snohomish County Fire District 24 will use CDBG CV3 funds for costs associated with the design, construction, and purchase costs of a 2600 square foot prefabricated building to be placed on a foundation on Fire District property. The building will be used for classes on prevention, response, and mitigation of COVID-19 and any variant of the virus. The building will additionally serve as an education center and vaccine administration and monitoring facility, as well as an emergency site for the area. The building will be equipped with education tools including a modern projector system, web cameras, and a sound system which would allow the District to provide classes on COVID-19, any variants, and vaccines.

Snohomish County will use a portion of the funds allocated to this activity for contingency funds should the project sponsor request contingency funds from the County under the approved Contingency Fund Policy.
