Motion authorizing the prosecuting attorney to commence condemnation proceedings necessary for certain road improvements to Larch Way / Logan Road & Locust Way Intersection Improvements RC 1591/UIP 16-0037; Parcel 006 (Wiggins), under RCW 36.85.

Background:

The project involves improving the Larch Way / Logan Road and Locust Way Intersection. County Council previously approved the right-of way plan in February 2020 and funding has been secured for the project.

The County needs to acquire part of a parcel of real property (Tax Parcel No. 005584-000-007-00) for additional right-of-way, (as described in Exhibits “D” through Exhibit “H” of the proposed motion) which is in accordance with the Council approved Right-of-Way Plan on file with the Snohomish County Department of Public Works and consistent with the project prospectus as approved by the Washington State Department of Transportation. The County and the owners are unable to agree upon compensation.

Current Proposal:

Scope: The proposed motion would authorize and direct the prosecuting attorney of Snohomish County to commence condemnation proceedings¹ and make all litigation decisions including settlement for the real property of interest.

Fiscal Implications: This project is included in the 2023-2028 Transportation Improvement Plan (TIP) and the adopted 2023 Annual Construction Program (ACP) as Item D.02.03.
