Subject: Let lapse 2025-1822

Good morning,

After I started reviewing the documents within this ECAF, I noticed that the Property ID number was not valid. The wrong Property ID number was used on all of the submitted documents within the ECAF. After discussing this with Heidi and Darcy, it has been determined that the best solution is to let this ECAF lapse (it has been assigned to Public Infrastructure and Conservation Committee) and have Julie High (PW) submit a new ECAF with the corrected documents. I will be contacting Julie regarding the need for a new ECAF.

Please let me know if you have any questions or concerns.

Many thanks,

Deb
