

## Snohomish County Council

**Committee:** Finance  
**ECAF:** 2021-0297  
**Proposal:** Mot. 21-187

**Analyst:** Jim Martin  
**Date:** May 18, 2021

### **Consideration:**

Authorizing the County Executive to sign an interagency agreement with the Department of Ecology to receive grant funds for the former Tect site at Snohomish County Airport.

### **Background**

Snohomish County Airport has hired Landau Associates to perform an environmental remedial investigation planning and implementation study at the former Tect site, where there is a significant amount of solvent and hydrocarbon contamination in soil and groundwater from prior tenants. Snohomish County Airport has applied for and been awarded a grant from the Department of Ecology that would offset the costs, in the amount of \$54,000.

### **Current Proposal**

This motion approves and authorizes the County Executive to sign the Interagency Agreement with the Department of Ecology to accept a \$54,000 grant.

*Duration:* Through 2021

*Fiscal Implications:* \$54,000.00 of revenue
