## CORONAVIRUS LOCAL FISCAL RECOVERY FUNDS AGREEMENT WITH COMMUNITY HEALTH CENTER OF SNOHOMISH COUNTY

This CORONAVIRUS LOCAL FISCAL RECOVERY FUNDS AGREEMENT (the “Agreement”) is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2024, between SNOHOMISH COUNTY, a political subdivision of the State of Washington (the “County”), and COMMUNITY HEALTH CENTER OF SNOHOMISH COUNTY, a Washington non-profit organization, (“Subrecipient”), collectively referred to as the “Parties.”

### AGREEMENT

NOW, THEREFORE, in consideration of the respective agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the County and Subrecipient agree as follows:

1. Purpose of Agreement; Scope of Services. The purpose of this Agreement is to set forth the terms and conditions under which the County will provide Coronavirus Local Fiscal Recovery funds (“CLFR”) funding (the “Funds”) to the Subrecipient for the Project set forth in **Exhibit B**, attached hereto and by this reference made a part hereof. Special funding source terms and conditions are set forth in **Exhibit A**, attached hereto and by this reference made a part of hereof.

The Project shall be executed in accordance with the requirements of this Agreement and with generally accepted practices prevailing in the western Washington region in the occupation or industry in which the Subrecipient practices or operates at the time the services are performed. The Subrecipient shall perform the work in a timely manner and in accordance with the terms of this Agreement.

The Subrecipient will prepare and present status reports and other information regarding performance of the Agreement as the County may request.

2. Term of Agreement; Time of Performance. This Agreement shall be effective upon execution (“Effective Date”) and shall terminate on **August 30, 2026** (“End Date”), PROVIDED, HOWEVER, that the term of this Agreement may be extended or renewed for up to Two (2) additional One (1) year term, at the sole discretion of the County, by written notice from the County to the Subrecipient. The County’s obligations after **December 31, 2024** are contingent upon local legislative appropriation of necessary funds for this specific purpose in accordance with the County Charter and applicable law. Notwithstanding the Effective Date this Agreement shall govern work provided by the Subrecipient from **September 1, 2024**, through **August 30, 2026**.

3. Funds. The County agrees to provide up to **\$614,956** to the Subrecipient from the County’s share of its CLFR allotment, to be used for the Project set forth in **Exhibit B**.

a. Eligible Expenses. The County shall pay the Funds to the Subrecipient on a reimbursement basis only for actual costs incurred. The County shall not make payment in advance or in anticipation of costs incurred by the Funds under this

Agreement. The County will reimburse the Subrecipient for Eligible Expenses as and when set forth in **Exhibit C**, which is attached hereto and by this reference made a part of this Agreement.

b. Overhead and Expenses. The total amount of Funds received by Subrecipient in **Section 3a** above includes overhead and expenses and no separate claims for reimbursement of overhead or expenses will be allowed under this Agreement.

c. Invoices. The Subrecipient shall submit monthly invoices to the County for reimbursement, PROVIDED, HOWEVER, that the final invoice shall be submitted to the County no later than **September 30, 2026**. Any invoice received after **September 30, 2026**, shall not be eligible for reimbursement. Subject to **Section 8** of this Agreement, the County will pay such invoices within thirty (30) calendar days of receipt.

Every invoice submitted by Subrecipient shall be accompanied by an executed cost certification in the form set forth in **Exhibit F**, attached hereto and by this reference made a part hereof. Prior to beginning work under this Agreement, Subrecipient shall submit an executed version of the Lobbying Certification in the form set forth in **Exhibit D**, attached hereto and by this reference made a part hereof and an executed version of the Civil Rights Certification in the form set forth in **Exhibit E**, attached hereto and by this reference made a part hereof.

d. Payment. The County's preferred method of payment under this contract is electronic using the County's "e-Payable" system with Bank of America. The Subrecipient is highly encouraged to take advantage of the electronic payment method.

In order to utilize the electronic payment method, the Subrecipient shall email [SBF-SnocoEpayables@co.snohomish.wa.us](mailto:SBF-SnocoEpayables@co.snohomish.wa.us) and indicate it was awarded a contract with Snohomish County and will be receiving payment through the County's e-Payable process. The Subrecipient needs to provide contact information (name, phone number and email address). The Subrecipient will be contacted by a person in the Finance Accounts Payable group and assisted with the enrollment process. This should be done as soon as feasible after County award of a contract or purchase order, but not exceeding ten (10) business days.

Department approved invoices received in Finance will be processed for payment within seven calendar days for e-Payable contractors. Invoices are processed for payment by Finance two times a week for contractors who have selected the e-Payable payment option.

In the alternative, if the Subrecipient does not enroll in the electronic ("e-Payable") payment method described above, contract payments will be processed by Finance with the issuance of paper checks or, if available, an alternative electronic method. Alternative payment methods, other than e-Payables, will be processed not more than 30 days from receipt of department approved invoices to Finance.

THE COUNTY MAY MAKE PAYMENTS FOR PURCHASES UNDER THIS CONTRACT USING THE COUNTY'S VISA PURCHASING CARD (PCARD).

Upon acceptance of payment, the Subrecipient waives any claims for the goods or services covered by the Invoice. No advance payment shall be made for the goods or services furnished by Subrecipient pursuant to this Contract.

e. Payment Method. In addition to Payment section above, the County may make payments for purchases under this contract using the County's VISA purchasing card (PCARD).

Are you willing to accept PCARD payments without any fees or surcharges?

Yes  No

f. Contract Maximum. Total payment under this Agreement, all fees and expenses included, shall not exceed **\$614,956** for the initial term of this Agreement (excluding extensions or renewals, if any).

4. Independent Contractor. The Subrecipient agrees that Subrecipient will perform the services under this Agreement as an independent contractor and not as an agent, employee, or servant of the County. This Agreement neither constitutes nor creates an employer-employee relationship. The parties agree that the Subrecipient is not entitled to any benefits or rights enjoyed by employees of the County. The Subrecipient specifically has the right to direct and control Subrecipient's own activities in providing the agreed services in accordance with the specifications set out in this Agreement. The County shall only have the right to ensure performance. Nothing in this Agreement shall be construed to render the parties' partners or joint venturers.

The Subrecipient shall furnish, employ and have exclusive control of all persons to be engaged in performing the Subrecipient's obligations under this Agreement (the "Subrecipient personnel"), and shall prescribe and control the means and methods of performing such obligations by providing adequate and proper supervision. Such Subrecipient personnel shall for all purposes be solely the employees or agents of the Subrecipient and shall not be deemed to be employees or agents of the County for any purposes whatsoever. With respect to Subrecipient personnel, the Subrecipient shall be solely responsible for compliance with all rules, laws and regulations relating to employment of labor, hours of labor, working conditions, payment of wages and payment of taxes, including applicable contributions from Subrecipient personnel when required by law.

The Subrecipient shall be responsible for all obligations relating to federal income tax, self-employment or FICA taxes and contributions, and all other so-called employer taxes and contributions including, but not limited to, industrial insurance (workers' compensation). The Subrecipient agrees to indemnify, defend and hold the County harmless from any and all claims, valid or otherwise, made to the County because of these obligations.

The Subrecipient assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes, fees, licenses, excises or payments required by any city, county, federal or state legislation which are now or may during the

term of the Agreement be enacted as to all persons employed by the Subrecipient and as to all duties, activities and requirements by the Subrecipient in performance of the work under this Agreement. The Subrecipient shall assume exclusive liability therefor and shall meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

5. Ownership. Any and all data, reports, analyses, documents, photographs, pamphlets, plans, specifications, surveys, films or any other materials created, prepared, produced, constructed, assembled, made, performed or otherwise produced by the Subrecipient or the Subrecipient's subcontractors or consultants for delivery to the County under this Agreement shall be the sole and absolute property of the County. Such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C. § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material which the Subrecipient uses to perform this Agreement but is not created, prepared, constructed, assembled, made, performed or otherwise produced for or paid for by the County is owned by the Subrecipient and is not "work made for hire" within the terms of this Agreement.

6. Changes. No changes or additions shall be made in this Agreement except as agreed to by both parties, reduced to writing and executed with the same formalities as are required for the execution and effectiveness of this Agreement.

7. County Contact Person. The assigned contact person (or project manager) for the County for this Agreement shall be:

Name: Kara Main-Hester  
Title: Chief Recovery and Resilience Officer  
Department: Executive Office of Recovery and Resiliency  
Telephone: (425) 422-0632  
Email: kara.main-hester@snoco.org

8. County Review and Approval. When the Subrecipient has completed any discrete portion of the services, the Subrecipient shall verify that the work is free from errors and defects and otherwise conforms to the requirements of this Agreement. The Subrecipient shall then notify the County that said work is complete. The County shall promptly review and inspect the work to determine whether the work is acceptable. If the County determines the work conforms to the requirements of this Agreement, the County shall notify the Subrecipient that the County accepts the work. If the County determines the work contains errors, omissions, or otherwise fails to conform to the requirements of this Agreement, the County shall reject the work by providing the Subrecipient with written notice describing the problems with the work and describing the necessary corrections or modifications to same. In such event, the Subrecipient shall promptly remedy the problem or problems and re-submit the work to the County. The Subrecipient shall receive no additional compensation for time spent correcting errors. Payment for the work will not be made until the work is accepted by the County. The Subrecipient shall be responsible

for the accuracy of work even after the County accepts the work.

If the Subrecipient fails or refuses to correct the Subrecipient's work when so directed by the County, the County may withhold from any payment otherwise due to the Subrecipient an amount that the County in good faith believes is equal to the cost the County would incur in correcting the errors, in re-procuring the work from an alternate source, and in remedying any damage caused by the Subrecipient's conduct.

9. Subcontracting and Assignment. The Subrecipient shall not subcontract, assign, or delegate any of the rights, duties or obligations covered by this Agreement without prior express written consent of the County. Any attempt by the Subrecipient to subcontract, assign, or delegate any portion of the Subrecipient's obligations under this Agreement to another party in violation of the preceding sentence shall be null and void and shall constitute a material breach of this Agreement.

10. Records and Access; Audit; Ineligible Expenditures. The Subrecipient shall maintain adequate records to support billings. Said records shall be maintained for a period of seven (7) years after completion of this Agreement by the Subrecipient. The County or any of its duly authorized representatives shall have access at reasonable times to any books, documents, papers and records of the Subrecipient which are directly related to this Agreement for the purposes of making audit examinations, obtaining excerpts, transcripts or copies, and ensuring compliance by the County with applicable laws. Expenditures under this Agreement, which are determined by audit to be ineligible for reimbursement and for which payment has been made to the Subrecipient, shall be refunded to the County by the Subrecipient.

11. Indemnification. To the maximum extent permitted by law and except to the extent caused by the sole negligence of the County and, if any funds for this Agreement are provided by the State, the State, the Subrecipient shall indemnify and hold harmless the County and the State, their officers, officials, agents and employees, from and against any and all suits, claims, actions, losses, costs, penalties and damages of whatsoever kind or nature arising out of, in connection with, or incidental to the services and/or deliverables provided by or on behalf of the Subrecipient. In addition, the Subrecipient shall assume the defense of the County and, if applicable, the State and their officers and employees in all legal or claim proceedings arising out of, in connection with, or incidental to such services and/or deliverables and shall pay all defense expenses, including reasonable attorneys' fees, expert fees and costs incurred by the County and, if applicable, the State, on account of such litigation or claims.

The above indemnification obligations shall include, but are not limited to, all claims against the County and, if applicable, the State by an employee or former employee of the Subrecipient or its subcontractors, and the Subrecipient, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects only the County and, if applicable, the State, under any industrial insurance act, including Title 51 RCW, other worker's compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

In the event that the County or, if applicable, the State incurs any judgment, award and/or cost including attorneys' fees arising from the provisions of this section, or to enforce the provisions of this section, any such judgment, award, fees, expenses and costs shall be recoverable from the Subrecipient.

In addition to injuries to persons and damage to property, the term "claims," for purposes of this provision, shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in an unfair trade practice.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

Nothing contained within this provision shall affect or alter the application of any other provision contained within this Agreement.

12. Insurance Requirements. The Subrecipient shall procure by the time of execution of this Agreement, and maintain for the duration of this Agreement, (i) insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the services hereunder by the Subrecipient, its agents, representatives, or employees, and (ii) a current certificate of insurance and additional insured endorsement when applicable.

a. General. Each insurance policy shall be written on an "occurrence" form, except that Professional Liability, Errors and Omissions coverage, if applicable, may be written on a "claims made" basis. If coverage is approved and purchased on a "claims made" basis, the Subrecipient warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the work which is the subject of this Agreement.

By requiring the minimum insurance coverage set forth in this **Section 12**, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Subrecipient under this Agreement. The Subrecipient shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

b. No Limitation on Liability. The Subrecipient's maintenance of insurance as required by this Agreement shall not be construed to limit the liability of the Subrecipient to the coverage provided by such insurance, or otherwise limit the County's recourse to any remedy available at law or in equity.

c. Minimum Scope and Limits of Insurance. The Subrecipient shall maintain coverage at least as broad as, and with limits no less than:

(i) General Liability: \$1,000,000.00 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000.00 aggregate limit. CG 00 01 current edition, including Products and Completed Operations;

(ii) Automobile Liability: \$1,000,000.00 combined single limit per accident for bodily injury and property damage. CA 0001 current edition, Symbol 1;

(iii) Workers' Compensation: To meet applicable statutory requirements for workers' compensation coverage of the state or states of residency of the workers providing services under this Agreement;

(iv) Employers' Liability or "Stop Gap" coverage: \$1,000,000.00.

d. Other Insurance Provisions and Requirements. The insurance coverages required in this Agreement for all liability policies except workers' compensation and Professional Liability, if applicable, must contain, or must be endorsed to contain, the following provisions:

(i) The County, its officers, officials, employees and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the Subrecipient in connection with this Agreement. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents. Additional Insured Endorsement shall be included with the certificate of insurance, "CG 2026 07/04" or its equivalent is required.

(ii) The Subrecipient's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

(iii) Any deductibles or self-insured retentions must be declared to, and approved by, the County. The deductible and/or self-insured retention of the policies shall not limit or apply to the Subrecipient's liability to the County and shall be the sole responsibility of the Subrecipient.

(iv) Insurance coverage must be placed with insurers with a Best's Underwriting Guide rating of no less than A:VIII or, if not rated in the Best's Underwriting Guide, with minimum surpluses the equivalent of Best's surplus size VIII. Professional Liability, Errors and Omissions insurance coverage, if applicable, may be placed with insurers with a Best's rating of B+:VII. Any exception must be approved by the County.

Coverage shall not be suspended, voided, canceled, reduced in coverage or in limits until after forty-five (45) calendar days' prior written notice has been given to the County.

If at any time any of the foregoing policies fail to meet minimum requirements, the Subrecipient shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

e. Subcontractors. The Subrecipient shall include all subcontractors as insureds under its policies or shall furnish separate certificates of insurance and policy endorsements for each subcontractor. **Insurance coverages provided by subcontractors instead of the Subrecipient as evidence of compliance with the insurance requirements of this Agreement shall be subject to all of the requirements stated herein.**

13. County Non-discrimination. It is the policy of the County to reject discrimination which denies equal treatment to any individual because of his or her race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability as provided in Washington's Law against Discrimination, Chapter 49.60 RCW, and the Snohomish County Human Rights Ordinance, Chapter 2.460 SCC. These laws protect against specific forms of discrimination in employment, credit transactions, public accommodation, housing, county facilities and services, and county contracts.

The Subrecipient shall comply with the substantive requirements of Chapter 2.460 SCC, which are incorporated herein by this reference. Execution of this Agreement constitutes a certification by the Subrecipient of the Subrecipient's compliance with the requirements of Chapter 2.460 SCC. If the Subrecipient is found to have violated this provision, or to have furnished false or misleading information in an investigation or proceeding conducted pursuant to this Agreement or Chapter 2.460 SCC, this Agreement may be subject to a declaration of default and termination at the County's discretion. This provision shall not affect the Subrecipient's obligations under other federal, state, or local laws against discrimination.

14. Federal Non-discrimination. Snohomish County assures that no persons shall on the grounds of race, color, national origin, or sex as provided by Title VI of the Civil Rights Act of 1964 (Pub. L. No. 88-352), as amended, and the Civil Rights Restoration Act of 1987 (Pub. L. No. 100-259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any County sponsored program or activity. Snohomish County further assures that every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

15. Employment of County Employees. SCC 2.50.075, "Restrictions on future employment of County employees," imposes certain restrictions on the subsequent employment and compensation of County employees. The Subrecipient represents and warrants to the County that it does not at the time of execution of this Agreement, and that it shall not during the term of this Agreement, employ a former or current County employee in violation of SCC 2.50.075. For breach or violation of these representations and warranties, the County shall have the right to terminate this Agreement without liability.

16. Compliance with Other Laws. The Subrecipient shall comply with all other applicable federal, state and local laws, rules, and regulations in performing this Agreement.

17. Compliance with Grant Terms and Conditions. The Subrecipient shall comply with any and all conditions, terms and requirements of any federal, state or other grant, if any, that wholly or partially funds the Subrecipient's work hereunder.

18. Prohibition of Contingency Fee Arrangements. The Subrecipient warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Subrecipient, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Subrecipient, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the County shall have the right to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

19. Force Majeure. If either party is unable to perform any of its obligations under this Agreement as a direct result of an unforeseeable event beyond that party's reasonable control, including but not limited to an act of war, act of nature (including but not limited to earthquake and flood), embargo, riot, sabotage, labor shortage or dispute (despite due diligence in obtaining the same), or governmental restriction imposed subsequent to execution of the Agreement (collectively, a "force majeure event"), the time for performance shall be extended by the number of days directly attributable to the force majeure event. Both parties agree to use their best efforts to minimize the effects of such failures or delays.

20. Suspension of Work. The County may, at any time, instruct the Subrecipient in writing to stop work effective immediately, or as directed, pending either further instructions from the County to resume the work or a notice from the County of breach or termination under **Section 21** of this Agreement.

21. Non-Waiver of Breach; Termination.

a. The failure of the County to insist upon strict performance of any of the covenants or agreements contained in this Agreement, or to exercise any option conferred by this Agreement, in one or more instances shall not be construed to be a waiver or relinquishment of those covenants, agreements or options, and the same shall be and remain in full force and effect.

b. If the Subrecipient breaches any of its obligations hereunder, and fails to cure the same, or take corrective action, within fifteen (15) business days of written notice to do so by the County, the County may terminate this Agreement, in which case the County shall pay the Subrecipient only for the services and corresponding reimbursable expenses, if any, accepted by the County in accordance with **Sections 3 and 8** hereof.

c. The County may terminate this Agreement upon fifteen (15) business days' written notice to the Subrecipient for any reason other than stated in subparagraph b above, in which case payment shall be made in accordance with **Sections 3 and 8** hereof for the services and corresponding reimbursable expenses, if any, reasonably and directly incurred by the Subrecipient in performing this Agreement prior to receipt of the termination notice.

d. Termination by the County hereunder shall not affect the rights of the County as against the Subrecipient provided under any other section or paragraph herein. The County does not, by exercising its rights under this **Section 21**, waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provisions of this Agreement. At its sole option, the County may deduct from the final payment due the Subrecipient (i) any damages, expenses or costs arising out of any such violations, breaches or non-performance and (ii) any other set-offs or credits including, but not limited to, the costs to the County of selecting and compensating another contactor to complete the work of the Agreement.

e. The County may suspend all or any part of this Agreement and withhold further payments or prohibit the Subrecipient from incurring additional obligations thereunder during investigation of suspected noncompliance with the terms of the Agreement. The County may also take these actions pending corrective action by the Subrecipient.

22. Notices. All notices and other communications shall be in writing and shall be sufficient if given, and shall be deemed given, on the date on which the same has been mailed by certified mail, return receipt requested, postage prepaid, addressed as follows:

If to the County:                      Snohomish County Office of Recovery and Resiliency  
3000 Rockefeller Ave., M/S 407  
Everett, Washington 98201  
Attention: Kara Main-Hester  
(425) 422-0632

If to the Subrecipient:              Community Health Center of Snohomish County  
8609 Evergreen Way  
Everett, Washington 98208  
Attention: Joe Vessey  
(425) 789-3717

The County or the Subrecipient may, by notice to the other given hereunder, designate any further or different addresses to which subsequent notices or other communications shall be sent.

23. Confidentiality. The Subrecipient shall not disclose, transfer, sell or otherwise release to any third party any confidential information gained by reason of or otherwise in connection with the Subrecipient's performance under this Agreement. The Subrecipient may use such information solely for the purposes necessary to perform its

obligations under this Agreement. The Subrecipient shall promptly give written notice to the County of any judicial proceeding seeking disclosure of such information.

24. Public Records Act. This Agreement and all public records associated with this Agreement shall be available from the County for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the Subrecipient are needed for the County to respond to a request under the Act, as determined by the County, the Subrecipient agrees to make them promptly available to the County. If the Subrecipient considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the Subrecipient shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by the Subrecipient and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify the Subrecipient (a) of the request and (b) of the date that such information will be released to the requester unless the Subrecipient obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the Subrecipient fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Subrecipient to claim any exemption from disclosure under the Act. The County shall not be liable to the Subrecipient for releasing records not clearly identified by the Subrecipient as confidential or proprietary. The County shall not be liable to the Subrecipient for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

25. Interpretation. This Agreement and each of the terms and provisions of it are deemed to have been explicitly negotiated by the parties. The language in all parts of this Agreement shall, in all cases, be construed according to its fair meaning and not strictly for or against either of the parties hereto. The captions and headings of this Agreement are used only for convenience and are not intended to affect the interpretation of the provisions of this Agreement. This Agreement shall be construed so that wherever applicable the use of the singular number shall include the plural number, and vice versa, and the use of any gender shall be applicable to all genders.

26. Complete Agreement. This Agreement constitutes the entire understanding of the parties. Any written or verbal agreements that are not set forth herein or incorporated herein by reference are expressly excluded.

27. Conflicts between Attachments and Text. Should any conflicts exist between any attached exhibit or schedule and the text or main body of this Agreement, the text or main body of this Agreement shall prevail.

28. No Third Party Beneficiaries. The provisions of this Agreement are for the exclusive benefit of the County and the Subrecipient. This Agreement shall not be deemed to have conferred any rights, express or implied, upon any third parties.

29. Governing Law; Venue. This Agreement shall be governed by the laws of the State of Washington. The venue of any action arising out of this Agreement shall be in the Superior Court of the State of Washington, in and for Snohomish County.

30. Severability. Should any clause, phrase, sentence or paragraph of this agreement be declared invalid or void, the remaining provisions of this Agreement shall remain in full force and effect.

31. Authority. Each signatory to this Agreement represents that he or she has full and sufficient authority to execute this Agreement on behalf of the County or the Subrecipient, as the case may be, and that upon execution of this Agreement it shall constitute a binding obligation of the County or the Subrecipient, as the case may be.

6. Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Subrecipient also must inform the Department of the Treasury if Subrecipient has received no complaints under Title VI.

Subrecipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Subrecipient and the administrative agency that made the finding. If the Subrecipient settles a case or matter alleging such discrimination, the Subrecipient must provide documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Subrecipient makes sub-awards to other agencies or other entities, the Subrecipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.
11. The United States of America has the right to seek judicial enforcement of the terms of this assurance document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

I hereby certify that I have read and understood the obligations described above, that the Subrecipient is in compliance with the above-described nondiscrimination requirements, and by my signature on this document, acknowledge my understanding that any intentional or negligent misrepresentation or falsification of any information submitted in conjunction with this document could subject me to punishment under federal, civil liability and/or in criminal penalties, including but not limited to fine or imprisonment or both under Title 18, United States Code, Sec. 1001, et seq. and punishment under federal law.
