Why would you like to serve on this board/commission? As a representative of Labor in Snohomish County I think it is important to have a labor presence in these types of decisions. I work in Snohomish County, District 2 and have many interactions with all of our elected officials through out the

county on a regular basis, which gives me an understanding of the work elected officials do.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I have served on many boards over the years and am heavily involved with many aspects of work that happens in Snohomish County. I understand working together to come to consensus and looking out for what is best for our county. I also have a strong accounting background and understand budgets. As an elected unpaid official, I can also bring insight to the workload that some of these positions can have.

Please list community involvement/volunteer activities
