#### **BRIEF DESCRIPTION:**

The Facilities & Fleet Department requests the use of a “piggyback” or “cooperative purchase” under SCC 3.04.220 utilizing a competitive bid issued and awarded by the Office of Washington State Department of Enterprise Services (DES). A Contract Usage Agreement between Snohomish County and DES authorizing cooperative purchases was approved by the County Council under Motion 24-232 and is currently in effect.

DES issued competitive solicitation number 28123 for Lawn & Grounds Equipment on December 31, 2024. The bid contained 30 different categories of equipment and was divided into six geographic regions. The bid was awarded by Region, Category and Manufacturer. Snohomish County is within Region 1. The Categories 11, 21 and 24 are for mowers manufactured by Energreen. The supplier awarded for Energreen products is FMI Equipment. This recommendation is for the lowest, responsive bidder for Region 1 in the applicable category and manufacturer. The DES contract with FMI Equipment is dated June 1, 2025 and is set to expire ultimately on April 30, 2030. Issuing a County bid is not expected to result in a difference of price.
