I have a passion for serving children and families through professional and volunteer activities. As a mom of a 10 year old daughter, I care deeply about issues concerning youth and their families, especially in Snohomish County. I see this as an important opportunity to help inform the County Council about trends, best practices, and emerging solutions for addressing needs in our communities. I would be honored to lend my knowledge and expertise in this arena, as well as to learn from staff and fellow commissioners.
I am a skilled public affairs professional with over 20 years of experience building healthy, more equitable communities through partnerships, connecting people with resources and institutions, and providing community leaders, philanthropists and volunteers with opportunities to learn about and invest in their communities. I am a strategic planner, complex problem solver, collaborator, and facilitator with proven track record of creating results and building organizational capacity.
I currently serve as Secretary of the Soundview School Board of Trustees in Lynnwood, WA. I previously served on the boards of Open Arms Perinatal Services and Leadership Launch. I am an advisory group member with Washington Family Engagement. I served on the Community Advisory Group for Sound Transit's Link Light Rail Everett Expansion, as well as the Alumni Committee with Leadership Snohomish County.
Lark Kesterke, current Children's Commission member, recommended me for this opportunity.
