PROPOSED ORDINANCE NO. 24-115
DISSOLVING DIKING DISTRICT NO. 3 PURSUANT TO
CHAPTER 36.96 RCW

SUMMARY: Snohomish County Diking District No. 3 (District) is a special purpose district governed by the laws of the state of Washington and subject to dissolution in accordance with Chapter 36.96 RCW. The District has no active commissioners and has not held commissioner elections within the preceding consecutive seven-year period. The District has not carried out any of the special purposes or functions for which it was formed within the preceding consecutive five year period. The District has not imposed assessments on properties within the District since 2013. The Qwuloolt Estuary Restoration Project, completed in 2015, has flooded and restored estuary habitat for over half of the land area once protected from flooding by the District. The City of Marysville and the Tulalip Tribes entered into an agreement that includes a recreational trail and vegetation maintenance easement governing maintenance of the western levee. As a result, Marysville is now responsible for the remaining levee maintenance functions for which the district was formed. Ordinance 24-115 would formally dissolve the District and authorize Snohomish County to dispose of its remaining assets consistent with RCW 36.96 and agreements with the City of Marysville and the Tulalip Tribes.

At the Public Hearing, the Council may consider amendments to the proposed ordinance.
