Program 020 Subprogram 210

Purpose of Grant (Brief description of work to be performed) **Early Childhood Education and Assistance Program (ECEAP):** This Agreement with Washington State Department of Children, Youth and Families provides funding for ECEAP. Established by the Legislature in 1985, ECEAP is a comprehensive school readiness program serving low-income and at-risk 3- and 4-year-old children and their families in Washington State. Because many factors affect a child's development and learning ability, ECEAP provides preschool education, health services coordination, nutrition, family support and parent involvement. ECEAP currently provides these services to at least 15,000 children per year. 85% of currently enrolled children have family incomes below 110% Federal Poverty Guidelines; the remaining children have either developmental, environmental or research-based risk factors that allow ECEAP eligibility.
