ARTICLE 3 – UNION RECOGNITION AND BARGAINING UNIT

The County recognizes the Washington State Council of County and City Employees, AFSCME, AFL-CIO as the exclusive bargaining representative for all matters of wages, hours, benefits and working conditions—over which the Employer is obligated by law to collectively bargain—with respect to regular full time and regular part-time Supervisors of Snohomish County Human Services Department excluding confidential employees and all other employees of the Employer.

ARTICLE 4 – UNION DEDUCTIONS

Section 1. All employees that are members of the collective bargaining unit covered by this Agreement may choose whether or not to become a member of the Union. Written authorization is necessary for the payroll deduction of union dues or alternative payments as set forth below.

Section 2. Deduction of Union Dues. Upon receipt of written authorization of the employee, the Employer shall deduct all dues and fees uniformly levied against Union members, once each month, from all members and transfer that amount to the Union Treasurer. The Employer shall continue to deduct and remit Union dues and fees to the Union until such time as the authorization is revoked as outlined below.

Section 3. Revocation of Dues Deduction. An employee may revoke authorization for payroll deductions of payments to the Union by written notice to the Employer and the Union in accordance with the terms and conditions of their signed authorization. If notified by the Union or the Employer determines the employee has revoked their authorization in accordance to the terms and conditions of their signed authorization, the deduction will end as soon as administratively feasible.

Section 4. P.E.O.P.L.E. Checkoff. The employer agrees to deduct from the wages of any employee who is a member of the Union a P.E.O.P.L.E. (Public Employees Organized To Promote Legislative Equality) deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

Section 5. Indemnification. The Union agrees that it may not state or imply in any way that an employee must join the Union or pay a fee as a condition of employment or to maintain Union representation. The Union agrees to indemnify and save the Employer harmless against any liability which may arise by reason of any action taken by the Employer pursuant to the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action. The Employer will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this Article.

ARTICLE 5 – LABOR MANAGEMENT RELATIONS

Section 1. Employer Rights and Authority. The Employer, acting through appropriate officers, has the exclusive right to manage its affairs, to direct and control its operations, and independently to make, carry out and execute all plans and decisions deemed necessary in its judgment for its welfare, advancement, or best interests. Such management prerogatives shall include all matters not specifically limited by the agreement herein and any term and condition of employment not specifically established or modified by this Agreement shall remain solely within the discretion of the Employer to modify, establish, or eliminate.

Section 2. By way of example, the Employer retains the full right to operate and manage all staffing, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct and determine the number of personnel; and to perform any inherent managerial function not specifically limited by this Agreement.

- B. The Employer will notify the Union in writing of the nature, reasons, scope, and approximate dates of the subcontracting within seven (7) days after a decision to subcontract. Following the notification, the Union shall have sixty (60) days to negotiate the impact; provided, the Employer's right to implement contracting out thirty (30) days after the written notice to the Union of the decision shall be unaffected by the impact of the bargaining process. The bargaining process may continue beyond the date of the implementation of the contracting out.

- C. If a reduction of positions occurs, Article 17 Seniority, Reduction In Force, Layoff, applies.
- D. The County shall give employees laid off due to subcontracting favorable consideration in the filling of vacancies in other Washington State Council of County and City Employees ("W.S.C.C.C.E.") bargaining units if no layoff register exists. If a W.S.C.C.C.E. layoff register exists, or no vacancies are available, the employee shall be ranked on all the appropriate W.S.C.C.C.E. layoff registers for classifications in which the minimum qualifications are met. Employees filling vacancies under this provision shall be subject to a one (1) year probationary period as covered under Article 18 Probation Periods, Trial Service.

Section 4. Collective Bargaining and the Employer's Authority. All collective bargaining with respect to wages, hours and other conditions of employment shall be conducted by authorized representatives of the Union and of the Employer. Nothing in this Agreement shall be construed as limiting the Employer's authority as conferred by law as of the effective date of this agreement, or in any way abridging or reducing such authority.

Section 5. Employer Security. The Union will not cause, or permit its members to cause, and no employee shall take part in any picketing, strike, work stoppage, sit-down, stay-in or slow down or any curtailment of or interference with the activities and operations of the Employer for any reason. The Union will not cause or permit the public employees to refuse, and no public employee shall, as designated below, refuse to cross any picket line established by any labor organization or group of individuals at any location where the Employer's duties are being performed. The Employer has the right to discipline, including discharge, any employee taking part in any violation of this section, which disciplinary action shall not be subject to the grievance procedure of this Agreement except to determine whether the public employee in fact violated any provision(s) of this section.

Section 6. Standards of Performance. The Union agrees for its members who are covered by this Agreement that they will individually and collectively perform efficient work and services; that they will use their influence and efforts to protect the property of the Employer. Employees agree to maintain reasonable standards of performance.

Section 7. Parking. Employer specifically maintains the right to establish and modify parking rates at the County Garage (not to exceed a fifteen percent (15%) increase in any two (2) year period) without negotiating such increases with the Union. ARTICLE 6 – EMPLOYEE RIGHTS, RESPONSIBILITIES AND UNION PRIVILEGES

There shall be no discrimination by the Union or Employer against any individual with respect to compensation, term or conditions of employment, nor with respect to Union membership, because of race, color, religion, national origin, gender, sexual orientation, marital status, physical, sensory or mental disability, or age except where age, gender, physical, sensory or mental disability is a bona fide occupational qualification. Any violation shall constitute a breach of this agreement.

The Employer and the Union agree that the application of this agreement and County personnel policies, rules, and regulations will be administered in a uniform manner, considering all relevant circumstances.

Section 2. No employee shall be discriminated against for exercising the employee's rights as a union member or a non-union member.

It is the intent of both parties that the investigation of grievance matters by the shop steward(s) be during non-working hours, unless otherwise approved by the Human Services Director or designee.

Time off without pay for investigating a formal grievance will be allowed, subject to the approval of the Employer for release time. This shall not be construed to allow time off to investigate employee complaints.

Time off with pay for meeting(s) regarding a formal grievance will be allowed, where the employee or Union President's or designee's attendance is required as a part of the grievance procedure as set forth in Article 21, Steps 1, 2, and 3. This shall be limited to meetings with the Employer.

- F. The Employer agrees that accredited representatives of the Union shall have reasonable access to the public premises and designated non-public areas of the Employer during working hours for the purpose of investigating and discussing grievances, provided the Union representative does not interfere with the work of the employees. Such business will normally be confined to the employee's lounge or conference room, unless otherwise concurred in by the Employer.

- B. **Additional Cash Payment Upon Termination.** Upon termination, employees with twenty (20) or more years of service or who are sixty-five (65) years of age shall be paid a lump sum payment of ten percent (10%) of accrued sick leave remaining in the Sick Leave Account after the base cash payment made pursuant to subsection A of this section. This payment shall be made at the employee's then current pay rate.
- C. **Retiree Medical Insurance.** For employees eligible to receive a Washington State or Washington Municipal retirement benefit immediately following separation from employment, the Employer will pay one month of the total premium of the county's retiree medical insurance program for the retiree and spouse for each one-hundred (100) hours of unused sick leave in excess of sick leave cashed out pursuant to subsections A and B of this section to a maximum of twelve (12) months of premium payments. Upon the death of an enrolled retiree, a surviving spouse/registered domestic partner who has been enrolled in the county retiree medical plan shall be offered COBRA retiree medical coverage, at their own expense, as required by law.

Section 10. Sick Leave Payment/Employee Death. Upon death of an employee, payment of one hundred percent (100%) of accumulated sick leave will be made to the heirs or estate of the employee.

Section 11. Day of On-The-Job-Injury. When an employee suffers an industrial injury, the employee will be paid for the balance of the work day, which will not be charged to sick leave.

Scheduled workdays falling within the first three calendar days following the day of injury are compensable through accrued sick leave, provided however, if the period of disability extends beyond fourteen calendar days, then accrued leave taken shall be reimbursed by Worker's Compensation on a pro rata basis. Upon the employee's written request, sick leave pay may be used to supplement industrial insurance benefits in an amount equal to the difference between the compensation to which the person is entitled under the Industrial Insurance Act and regular County net pay. Any accrued vacation or compensatory time may be used in a like manner after accrued sick leave is exhausted.

Employees who are temporarily disabled and are being compensated through industrial insurance are entitled to continue to receive the normal health benefits and life insurance. The employee may be required to self pay the premium contribution under Article 25 of this contract. Sick leave and vacation shall only accrue, however, for hours in County pay status. Employees receiving industrial insurance may also be eligible for benefits under Long Term Disability Insurance.

An employee must submit a completed Return To Work Authorization form to their supervisor and obtain approval before resuming any duties. It is the responsibility of the employee to contact and follow the direction of DRS, while they are on time loss payments, to ensure continuation of retirement service credit accrual.

Section 12. Disability Leave.

- A. Disability leave shall be granted when an employee is temporarily disabled and unable to perform the essential duties of their position as verified by the required medical documentation. Disability leave may be granted for up to twenty-six (26) weeks within any two (2) year period for disabilities that do not stem from an industrial injury or occupational disease. Disability leave may be granted for up to fifty-two (52) weeks for disabilities caused by an industrial injury or occupational disease. All leave stemming from disabilities shall be considered in calculating the allowable leave period regardless of whether or not the leave is intermittent or taken over a consecutive period, from the beginning of such leave.

- B. Unless otherwise required by state or federal law, when an employee is unable to return to work in the employee's previous position after exhausting the disability leave provided under the previous paragraph, the County may either hold the position for a reasonable time if the position can be kept vacant or filled on a temporary basis or lay off the employee and place them on a reinstatement list for the class of the previous position or for a class that is appropriate to the employee's medical condition. If it is determined that the employee will not be able to return to work in any capacity, the County may terminate the employee after a pre-determination hearing.

An employee must submit a completed Return To Work Authorization form to their supervisor and obtain approval before resuming any duties.

Leave resulting from a medical condition that is not an industrial injury or occupational disease suffered in County employment in accordance with this Article requires employees to exhaust accrued sick leave and accrued compensatory time and vacation leave before applying for or being granted a leave without pay. The employee may also be eligible for Long Term Disability Insurance. Employees are responsible for paying medical, dental, vision, life, and other appropriate premiums while on disability leave without pay.

Section 13. Paid Family Medical Leave. The County will continue to administer paid family medical leave (PFML) in accordance with state guidelines and requirements. For illustrative purposes only, this currently includes, but is not limited to the following attributes:

- Employees desiring to use PFML must notify the department in writing at least thirty (30) days in advance if foreseeable and as soon as practical if not foreseeable.
- Employees must use PFML in at least an eight (8) consecutive hour increment each week.
- Employees have the sole discretion as to whether to apply for PFML leave.
- PFML is leave without pay (LWOP) and therefore will affect employee sick and vacation leave accruals and can impact holiday pay.
- The County will continue to pay the County's portion of medical insurance for an employee on PFML if there is at least one day of overlap between PFML and FMLA until the employee returns to work or their PFML expires, whichever occurs first.

ARTICLE 11 – BEREAVEMENT LEAVE

Upon notification, a Human Services Director shall grant an employee bereavement leave with pay in the event of death in the immediate family of the employee. The maximum number of working days leave shall be three (3), except that when the occurrence is at a distance beyond 300 miles, additional time not exceeding two (2) additional working days may be granted to attend the funeral and to make necessary arrangements. ARTICLE 13 – LEAVES OF ABSENCE WITHOUT PAY

Irrespective of the following provisions of this Article, the Union and County agree to cooperate and use their best efforts to comply with Federal and State laws pertaining to family medical leave.

Section 1. Requests for leave of absence without pay shall be considered in light of the circumstances involved and the needs of the County. Before an unpaid leave of absence will be granted, all paid leave options should be reviewed (such as: compensatory time, floating holiday and accrued vacation). Leave options that are required to be exhausted or that are optional are listed under each section. Any leave without pay beyond six (6) months duration must have the Human Resources Director's approval for good cause shown.

Section 2. Accruals for vacation and sick leave will not take place while an employee is on an unpaid leave of absence. In addition, employees on an unpaid leave of absence are not eligible for holiday pay. Unpaid leaves of absence of ninety (90) or more calendar days will cause the employee's continuous service to be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days. The employee's step adjustment date will be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days.

Section 3. Types of Unpaid Leave.

- A. **Family Leave.** The County complies with the federal Family Medical Leave Act (FMLA) and applicable state laws related to family and medical leave.

When possible, except in the case of unexpected events, requests for family leave should be submitted to an employee's immediate supervisor at least thirty (30) days prior to the date leave is expected to commence.

- B. **Civil Duty.** Any employee who is elected or appointed to a political or legislative position which is compatible with the employee's County employment may be granted leave without pay to perform their civil duty or the employee may utilize accrued vacation leave and/or compensatory time.

- C. **Military Leave.** Any employee who is a member of the Washington National Guard or organized military reserve or armed forces of the United States shall be granted a military leave of absence from employment in accordance with RCW 38.40.060. - D. **Personal Leave.** Employees may request an unpaid personal leave of absence of not more than six (6) months by submitting a written request to their immediate supervisor. Requests must be submitted at least thirty (30) days in advance (except in emergency situations). An employee's accrued compensatory time, vacation leave and floating holiday hours must be utilized, in the order stated, before an employee may be eligible for an unpaid personal leave of absence. Any request for a personal leave of absence in excess of six (6) months must be compatible with department needs and must have the Human Resources Director's approval for good cause shown. Leaves for educational purpose will be granted for up to nine (9) months duration.

Section 4. Return From Leave of Absence. At the expiration of any authorized leave of absence, per applicable laws, every effort will be made to return the employee to their last held position unless other conditions were stipulated in writing by the immediate supervisor upon granting the leave or unless otherwise stipulated in this agreement. If it is not possible to reinstate the employee to their last held position, attempts will be made to place the employee in a comparable position. Any employee who fails to return to work within three

(3) working days after the expiration of such leave shall be considered to have voluntarily resigned their employment with the County, unless the employee, prior to the expiration of such leave, has requested and been granted a leave of absence extension.

Section 2. Administration of rates of pay shall be as follows:

- A. **Rates of Pay.** No employee shall be paid at a rate of pay less than the minimum nor more than the maximum established for their job as set forth in the pay plan. All pay rates in the pay plan are based upon full-time employment at the normal working hours for the position. For purposes of pay administration, full-time employment is defined as work consisting of at least thirty-five (35) but no more than forty (40) hours per week.

- B. **Anniversary Step Date Administration.** The anniversary date for a step increase shall be the first day of the month as specified in this section. Newly hired employees will be administered as follows: effective dates between the first and the fifteenth of any month will have an anniversary date of the first of the month in which the hiring occurred; effective dates between the sixteenth and the end of any month will have an anniversary date of the first of the following month in which the hiring occurred. (Example: An employee hired on February 16 would receive wages beginning on this date, and the anniversary step date would be March 1 of the following year. An employee hired on February 10 would have an anniversary step date of February 1 of the following year.)

Section 3. Starting Rate Upon Initial Employment. New employees shall be appointed at the minimum step of the pay range in effect for the particular classification or positions to which the appointment is made unless the employing official has received prior authorization from the County Executive or their designee to fill the position at some other step in the pay range, and the Union has been notified in writing and has no legitimate objection to doing so. In no event shall the starting rate of pay exceed the maximum rate of the pay range.

Section 4. Pay Rate Upon Promotion. An employee who is promoted shall be paid at the step in the new pay range which represents at least a one step increase over the rate of pay received immediately prior to the promotion or at the minimum step of the new pay range, whichever is greater, provided that such increase does not exceed the maximum step of the new pay range. This provision shall not apply to employees who are promoted directly from a temporary upgrade. Employees who previously held regular status in the new position will retain their salary step after promotion.

Section 5. Pay Rate Upon Demotion or Voluntary Reduction. An employee who is demoted shall be paid at that step in the lower pay range that results in not more than a one (1) step decrease, the one (1) step decrease being defined as the next lower step on the employee's pay grid before the demotion or voluntary reduction. The resulting pay step shall not be higher than the maximum nor lower than the minimum step of the lower pay range.

An employee who accepts a voluntary reduction because of organizational changes or reduction in force or who requests a voluntary reduction for personal reasons shall be paid at that step in the lower pay range that results in not more than a one (1) step reduction in the pay range as defined and limited above; provided, however, that the employee will receive the same rate of pay received prior to the demotion (but not higher than the top step of the salary range) if the lower classified position requires performance of duties which are functionally related to the duties of the higher classified position held by the employee and the employee can satisfactorily perform all the duties of the position without a training period.

Section 6. Pay Rate Upon Demotion From Promotion. An employee who is demoted from trial service following promotion shall receive the same step in the lower pay range as held before promotion, provided that adjustments shall be made to take into account any step increases which would have occurred had the employee not been promoted.

Section 7. Pay Rate Upon Transfer. An employee who transfers from one position to another within the same class, or from a position in one class to a position in a different class that is assigned to the same pay range, shall continue to receive the same rate of pay as before the transfer.

Section 8. Pay Rate Upon Reinstatement Or Rehire. A person who is recalled from layoff within two (2) years; or who within one (1) year returns from an unpaid leave of absence or is rehired following separation from County employment, shall receive the same step in the pay range as held prior to the break in service.

Section 9. Calculating Hourly Wage. For the purposes of calculating the hourly rate of pay for employees who are paid on the basis of a monthly salary, hourly wages shall be determined by the following formula:

The above formula is used to calculate the Standard Hourly Rate for determining sick leave payout and vacation leave payout.

Section 10. Adjustment to the Anniversary Date (Step Adjustment Date).

The anniversary date, once established at the time of initial employment (pursuant to Section 2 (B) of this Article), shall not be changed due to subsequent reclassification, promotion or demotion, but will be adjusted for any leave without pay or layoff period of ninety (90) calendar days or more. When an employee returns from a leave without pay or layoff that is ninety days or longer and is re-employed, the anniversary date will be extended by an amount of time equal to the period of leave without pay or layoff in excess of eighty-nine (89) days. A new anniversary date will be calculated from this revised hire date pursuant to Section 2 (B) of this Article.

If the request for arbitration is not sent within thirty (30) working days, the moving party waives its right to pursue the grievance through the arbitration procedure.

- a) Upon receipt of the request for arbitration, the County and the Union shall have thirty (30) working days to attempt to select a sole arbitrator by mutual agreement. In the event the parties are unable to agree upon an arbitrator within this time period, the moving party shall have an additional thirty (30) working days in which to request the American Arbitration Association or PERC to submit a panel of nine (9) arbitrators from which the parties will select an arbitrator via the alternate strike procedure, specified below. If the moving party fails to make such a request from the AAA or PERC within this time period, the moving party waives its right to pursue the grievance through the arbitration procedure.
- b) Upon receipt of the list of nine (9) arbitrators from the AAA or PERC, the County and Union shall alternately strike names of arbitrators until one arbitrator's name is left who shall be arbitrator. The order of striking names shall be determined by the flip of a coin. The moving party has the burden of timely initiating the alternate strike procedure, but in no event shall the parties fail to complete the alternate strike procedure within sixty (60) working days of the date the AAA or PERC mailed them the list of arbitrators. Failure to initiate the alternate strike procedure within this period will result in the moving party waiving its right to pursue the grievance through the arbitration procedure.
- c) When an arbitrator has been selected, using any of the above procedures, the moving party has the burden of notifying the arbitrator of their selection by sending a joint letter from the parties requesting that they set a time and a place for hearing, subject to the availability of the County and Union representatives. If the moving party fails to send this notification to the arbitrator within thirty (30) working days of their selection, the moving

party waives its right to pursue the grievance through the arbitration procedure.

- d) Once an arbitrator is selected, they shall have jurisdiction over the hearing and any pre-hearing matters arising between the parties concerning the grievance at-issue, unless the parties mutually agree to rescind the appointment of the arbitrator. If the Union prevails, the County will pay the fee and expenses of the arbitrator. If the County prevails, the Union shall pay the fee and expenses of the arbitrator. If the loser or winner cannot be identified, the arbitrator will determine the basis upon which the fee will be split. The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this agreement. They shall consider and decide only the specific issue submitted to them in writing by the County and the Union, and shall have no authority to make a decision on any other issue not submitted to them. The arbitrator shall submit their decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon their interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding. Each party shall be responsible for compensating its own representatives and witnesses.

Section 3. Nothing herein shall prevent an employee from seeking assistance of the Union, or the Union from furnishing such assistance at any stage of the grievance procedure.

Section 4. No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the execution date of this Agreement, and no arbitration award shall be made by the arbitrator which grants any right or relief for any period whatsoever prior to the execution date of this Agreement.

Section 5. Election of Remedies. It is agreed that taking a grievance appeal to arbitration constitutes an election of remedies and a waiver of all rights by the appealing employee, the Union, and persons it represents to litigate or otherwise contest the appealed subject matter in any court or other available forum. Likewise, litigation or other contest of the subject matter in any court or other

available forum shall constitute an election of remedies and a waiver of right to arbitrate the matter.
