Authority Granted:

Authorizes the Snohomish County Executive to sign and execute Professional Services Agreement SWMCC01-25 with Herrera Environmental Consultants, Inc.

Background:

Surface Water Management's (SWM) Lake Management Program supports the protection and restoration of water quality and ecological health in over 36 lakes throughout Snohomish County, working in partnership with local communities. The program includes routine water quality monitoring by volunteers and professionals, lake-specific problem assessments, and the implementation of lake restoration and aquatic plant management efforts. To support these activities, SWM has selected Herrera Environmental Consultants through RFP-24-0360RB to provide limnological consulting services. This contract is for three-years for an amount of \$105,000 to provide additional technical expertise to guide lake monitoring, analysis, and management decisions.

Request: Move Motion 25-367 to COW on August 13th for consideration.
