

SNOHOMISH COUNTY COUNCIL
SNOHOMISH COUNTY, WASHINGTON

MOTION NO. 23-

CONCERNING APPROVAL OF THE CROSS VALLEY WATER AND WASTEWATER
DISTRICT 2022 COMPREHENSIVE WATER AND WASTEWATER PLAN

WHEREAS, the Cross Valley Water and Wastewater District prepared and submitted the 2022 Comprehensive Water & Wastewater System Plan on May 16, 2023, to the Snohomish County Council; and

WHEREAS, RCW 57.16.010 requires that water and wastewater districts adopt a comprehensive plan prior to incurring indebtedness or ordering improvements, and that the comprehensive plan be approved by the county legislative authority before becoming effective; and

WHEREAS, the specific criteria for review of the water and wastewater system comprehensive plan are outlined in RCW 57.02.040, WAC 246-290-100 and WAC 173-240-050; and

WHEREAS, the Snohomish County Health Department, and the County Engineer have reviewed the plan amendment and given approval as required by Title 57 RCW; and

WHEREAS, the District submitted several amendments contained in errata documents to respond to comments from the County and from the state Department of Health; and

WHEREAS, the District's 2022 Comprehensive Water and Wastewater System Plan and errata documents have been reviewed by Planning and Development Services and found to be consistent with the County's adopted GMA Comprehensive Plan.

NOW, THEREFORE, ON MOTION:

A. The County Council finds that the proposed Cross Valley Water and Wastewater District's 2022 Comprehensive Water and Wastewater System Plan, along with the submitted errata documents is in compliance with the applicable criteria for approval prescribed in RCW 57.02.040, as outlined below.

- 1) The proposed action is consistent with the county comprehensive plan.
- 2) There is no separate state-approved basin-wide water or wastewater system plan for this area.

- 3) There is no separate County general plan for water or wastewater systems covering the Cross Valley Water and Wastewater District's service area.
- 4) The County Engineer and Snohomish Health District officer have each given their approval to the plan. Therefore, Planning and Development Services recommends the Cross Valley Water and Wastewater District's 2022 Comprehensive Water and Wastewater System Plan, as amended by the errata documents, be approved.

B. Based on the foregoing, the Snohomish County Council approves the Cross Valley Water and Wastewater District's 2022 Comprehensive Water and Wastewater System Plan as amended by the errata documents.

PASSED this _____ day of _____, 2023.
