

To Whom It May Concern:

We are the buyers in a BLA involving parcel #28061500100100. We are writing this letter to notify the County Council that we are aware that an application for the reclassification and classification of the parent parcel #28061500100100 from Open Space Land – Timberland to Open Space Land is in progress. We would also like you to know that we wish for this application to continue and look forward to its approval.
