

## Snohomish County Council

**Committee:** Finance  
**ECAF:** 2022-0525  
**Proposal:** Mot. 22-221

**Analyst:** Jim Martin  
**Date:** May 17, 2022

### **Consideration:**

Motion approving award of Council project funds.

### **Background**

The 2022 Council-approved budget appropriated funding for Council-initiated, by-district projects. The Office of Recovery and Resilience has been working with Councilmembers and Council staff on identifying projects, and drafting the necessary agreements for funding.

Marysville Historical Society provides the public with educational opportunities relating to the history of the Marysville area, increasing tourism in the area, while preserving local history for future generations. This agreement will provide reimbursement for eligible expenses for materials for ADA access improvements to the flooring of the Museum so that elderly and disabled visitors requiring wheelchair and/or electric scooter access may visit the North Gallery. The agreement runs through December 31, 2022, and reimbursement is not to exceed \$25,000.

### **Current Proposal**

Approval of the agreement between Snohomish County and Marysville Historical Society for a reimbursement-based grant amount not to exceed \$25,000.
