Committee: Committee of the Whole
ECAF: 2022-1235
Proposal: Mot. 22-514

Analyst: Jim Martin
Date: November 29, 2022

Consideration:

Authorizing the Chair of the Council to sign certification of 2023 tax levy estimates.

Background

RCW 84.52.070 prescribes the duty of the County Council to certify to the County Assessor the amounts of taxes levied upon the property in the County for county and junior taxing district purposes. Once certified, the Assessor can begin the process of developing property tax rates and amounts that allows the Treasurer to prepare tax statements for 2023 property tax collections. Junior Taxing Districts have until November 30 each year to certify their levies to the county. The County must then certify those levies to the Assessor by the first Monday in December. This action allows the Chair of the Council to sign the certification of levies once all junior taxing district certifications have been received.
