Background: This ordinance amends regulations pertaining to Accessory Dwelling Units (ADUs) in rural and resource areas.

A summary of the proposed ordinance is as follows:

PROPOSED ORDINANCE NO. 22-006

Sections 1 – 3. Adopts recitals, findings of fact, and conclusions, and states that the Council bases its findings and conclusions on the entire record of Snohomish County Planning Commission and the County Council.

Section 4. Amends regulations in SCC 30.28.010 pertaining to detached ADUs in rural, resource, and other zones to: allow a detached ADU on any lot containing a legally-established single-family dwelling when the lot is at least 25,000 square feet; prohibit detached ADUs in areas subject to shoreline jurisdiction; remove the requirement that detached ADUs be located within 100 feet of the primary dwelling; and establish setback requirements for detached ADUs in new buildings.

Section 5. Provides a standard severability and savings clause.

Amendments: The County Council may consider amendments to the proposed ordinance, including an amendment that would allow, in rural, resource, and other zones, detached ADUs on all lots containing a legally-established single-family dwelling regardless of lot size or location within shoreline jurisdiction.
